Purchases from Three

We always hope you're happy with your new purchase, whether it's a Device or Accessory, and/or a service agreement for telephone services as a consumer, but just in case you're not, here's how you can return or exchange it.

Where did you buy your Device?

3Store

If you bought your Device from one of our 3Stores, you may exchange it within 7 days of purchase. You'll need to go back to the same 3Store you bought your Device from.

If you're thinking about exchanging your Device you must return your Device in "as new" and "unused" condition. "Unused" means that you must not use the Device to make or receive any calls (both voice and video), send or receive texts or use the internet. If you've bought an Apple Device from a 3Store this includes removing the cellophane wrapping.

"As new" means you must also make sure that your Device, packaging, manuals, accessories and any "free gifts"

supplied are complete and are not damaged or marked. If anything is missing you may be charged for these. We will not accept the return of any used, damaged or marked Devices. You'll also need to provide your receipt as proof of purchase.

Three.co.uk or Telesales

You can exchange or return your Device within 14 days from the day you received it Three.co.uk - call us on 0333 300 0330 (standard call charges apply).

Telesales - call us on 0333 338 1001 (standard call charges apply).

Exchanges

If you just want to change your Device or Accessory you bought from us, you have 14 days to exchange it. We have the right to only offer you a refreshed Device in exchange.

Returns

If you bought your purchase from Three.co.uk or our Telesales, you can also return your Device or Accessory and cancel your contract within 14 days of purchase, or, if you've bought a Device, but didn't receive it immediately, within 14 days of receiving your new Device or Accessory. If you have entered into a Three Services agreement without any equipment, you'll have 14 days from the date of your agreement to cancel.

Very important bits

- If you want to return or exchange your Device it must be in an "as new" condition or you may be charged for any damage or marks.
- You can use our Services (such as calling, texting and using the internet) during the 14 day returns / exchange period, but you may be charged for any Services you use before cancelling any contract. Please remember that it can take up to 3 months for some Services to be applied to your bill.
- Where we give a refund it'll be in the same form as the original payment.

All returns or exchanges

If you return or exchange your Device and/or Accessory, they must be in their original condition and packaging, exactly as you got them. If you haven't got all the original packaging for any reason, tell the advisor when you're arranging your exchange / return and they'll send you packing equipment and instructions if necessary. If you don't return your Device in an "as new" condition, then we will need to charge you for any missing or damaged pieces. Please refer to the Price Guide for more information.

When we say "as new" we mean the Device, packaging, manual, all Boxed Accessories and any free gifts that came with the Device are all undamaged and don't have any marks on them.

For hygiene reasons we can't accept returns or exchanges on some Accessories, like headsets, where the packaging has been opened or had the seal broken. If these were supplied with a Device which you want to return, you may be charged for them - see the Price Guide for more information.

Please make sure you package your Device exactly as the advisor asks you to. You're responsible for the Device until we receive it and the Royal Mail may destroy incorrectly packed Devices.

Other retailers that aren't Three

This Policy doesn't apply to Devices (Phone, Dongle, Mobile Wi-Fi, Tablet or Laptop) or accessories purchased from someone other than Three.

If you purchased your Device or Accessory from another retailer, you'll need to check with them to see what their returns and exchanges policy is. If your retailer permits you to return your Device under their policy and you've used any of our Services, we may charge you for what you've used.

If you want to cancel your service agreement with Three call us on 0333 338 1001 (standard call charges apply).

Are you a business customer?

Contact your Account Manager or call us on 0333 338 1004 (standard call charges apply.)

One final point to note

Terms for using the Three Network General Terms

1. Who's who and what's what

1.1 When we say:

- (a) 'we', 'us' or 'our', we mean Hutchison 3G UK Limited, trading as 'Three' (company number 03885486) with its registered address at Star House, 20 Grenfell Road, Maidenhead, Berkshire, SL6 1EH;
- (b) 'you' or 'your', we mean you, our customer;
- (c) 'agreement', we mean your agreement with us for the supply of Three Services.

1.2 We also have set out in the glossary some useful definitions of words we use in these Terms for Three Services.

2. About your agreement

- 2.1 Your agreement is made up of these Terms for Three Services and your Package, along with any other terms laid down in additional Three Services on the Device. Additional terms may apply to any promotional or special offers.
- 2.2 Your agreement is personal to you. You have to do what you've contracted to do, unless we write and say you can do something outside the agreement. Unless we give you permission (acting reasonably), you can't pass your rights or responsibilities to anyone else - even if we give you more than one SIM or you give your Device to others. It's your responsibility to make sure the SIMs are only used to access Three Services as permitted in this agreement.
- 2.3 This agreement does not cover:
 - (a) any products or services you buy while using Three Services; or
 - (b) the supply of your Device. The manufacturers of Devices are not related to us. Any terms relating to Devices will be given to you separately.

3. When your agreement begins

- 3.1 Your agreement starts when we Connect you to Three. (Note that in the special case where you do not Connect to Three within a month of registering as a Three Customer and receiving your Device, your agreement will automatically start at the end of that month.) By inserting your SIM you are expressly requesting that Three provide you with our Services.
- 3.2 If you bought your contract or upgrade through Three.co.uk or Three Telesales or Three Customer Services you may cancel your agreement within 14 days of us connecting you (Returns Period). If you use any Services prior to cancellation you may be charged for them. Please remember that it can take up to 3 months for some international and Premium Services to be applied to your bill. Please see our Returns Policy for more information.
- 3.3 After the expiry of any Returns Period:
 - (a) if your Package has a Minimum Term, you agree to remain Connected to Three for that Minimum Term. You have

limited rights to end the agreement during the Minimum Term as set out in Section 10; or
(b) if your Package does not have a Minimum Term, or your Minimum Term has expired, we will supply you with Three Services until either of us chooses to end the agreement in any of the permitted ways set out in Section 10.

4. **Variations to your agreement or prices**

4.1 The Monthly Charge for your Package is fixed for the Minimum Term of your agreement.

4.2 We may vary any of the terms of your agreement, including our Packages or prices, on the following basis:

(a) any updated Packages and new terms will be available on our website and on request to Three Customer Services;

(b) we will let you know at least one month in advance if we decide to:

(i) discontinue your Package; or

(ii) make any variations to your agreement which are (in our reasonable opinion) likely to be of material detriment to you. You can end the agreement for such variations as explained in Section 10.

(c) we may need to change or introduce new Charges in respect of our Outside of Allowance Services.

If we do, we'll let you know at least one month in advance unless we believe such changes are not (in our reasonable opinion) likely to be of material detriment to you or you don't (in our reasonable opinion) regularly use the Outside of Allowance Services affected;

(d) we may change or introduce new Charges in respect of Additional Services or Add-Ons - we'll publish any changes on our website. If any Add-ons affected have a recurring Charge, we'll let you know at least fourteen (14) days before the Charge changes.

4.3 For the avoidance of doubt, you will not be able to end the agreement if any variation or increase:

(a) is due to changes to the law, government regulation or licence which affect us - this includes any increase or change in the rate of VAT or other applicable taxes or any new taxes that are introduced; or

(b) relates solely to:

(i) Additional Services; or

(ii) Add-on(s) (if applicable to you).

In such circumstances you will not be able to end your agreement but you will be able to cancel the Add-on(s) or stop using the Additional Services.

4.4 You will not be able to end the agreement if you carry on using Three Services after any variation or change commences as you will be deemed to have accepted the variation.

5. **What we will provide for you**

A Three phone number and SIM

5.1 We will open an account for you and provide you with a SIM and a Three phone number (and we may agree to provide you with additional SIMs and phone numbers on your request).

5.2 We own each SIM and each SIM remains our property at all times. You are being allowed to use the SIM by us on a limited licence to enable you to access Three Services, in accordance with the terms of this agreement. We may recall the SIM(s) at any time for upgrades, modifications, misuse or when your agreement ends. You can only use our SIM to obtain Services from us.

5.3 Each SIM may only be used in Devices which are enabled for Three Services and are authorised by us for Connection to the Three network. Any attempt to use the SIM in other devices may result in serious damage to the device and may prevent you from being able to use it, including the making of emergency calls. In these instances, we are not responsible for any such damage or usage problems.

5.4 Devices which can be used to access Three Services may be locked to our network. The software in the Device and all intellectual property rights in that software are owned by the Device manufacturer and you are being allowed to use the software on a limited licence from the Device manufacturer. If you want your Device to be unlocked from our network, you can contact us and we can help to arrange for your Device to be unlocked in an authorised manner (which may include replacing your Device with an unlocked Device, which is the same or similar specification to your Device). Prior to your Device being unlocked, you must ensure that you back-up or otherwise store separately any of your information or other data on the Device which you may require, as this may be lost during the Device unlocking process. We are not responsible for any information or any other data which may be lost during the Device unlocking process.

5.5 You can move your existing phone number to Three. First, you need to ask your previous mobile network operator for your porting authorisation code (PAC), and then you will need to give your PAC to us. Once we have verified the details of your porting request, we will tell you the date when your phone number will be moved to Three. If the move is delayed and the delay is our fault, you may be entitled to compensation in the form of a one-off reimbursement of a portion of your Charges. Contact Three Customer Services to find out more.

Three Services

5.6 Once you are Connected to Three:

(a) we will provide you with access to our Services. The Three Services will include Premium Services (which may require our prior approval for you to use some of those Premium Services) and may also include Age Restricted Services, provided you are 18 or over and you do not show or send any content from the Age Restricted Services to anyone under 18.

(b) you can make free calls to emergency services from your Phone by calling 999 or 112.

(i) When you are outside of Three's coverage area in the UK, your Phone will try to locate another mobile network

so that you can try to contact the emergency services (however, neither your mobile telephone number nor your location data will be transmitted to the emergency services in these circumstances).

(ii) If you need to contact the emergency services whilst you are roaming abroad, you will need to call 112 (this number is recognised by most mobile operators worldwide) or the local emergency services number, however your location data may not be transmitted.

(iii) Emergency service calls cannot be guaranteed if made using voice over IP services on your Phone, such as Skype - if you do wish call the emergency services, you should make a normal voice call from your Phone. If you do make an emergency services call using a voice over IP service you should do so using any in-app dialer and note that your Location Data may not be shared with the emergency services..

(iv) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your location to 999 or 112 - the text will be converted and passed to the appropriate emergency service but you will need to register your Phone before you can use this service - details on how to do this are available at www.emergencysms.org.uk

(v) If you have a Device that operates on Android operating system 2.3 and above, on calling 999 or 112 while in the UK and connected via the Three network, your Location Data may be automatically transmitted to the emergency services to help them locate you.

5.7 You will also be able to upload and send your own content using the Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on the Three Services. If you choose to use the POP3 polling features in our Messaging Services, you are appointing us as your agent for enabling the POP3 polling Services to be provided to you.

5.8 We may:

(a) change or withdraw some, or part, of the Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or modify content. Depending upon the changes that are made, you may have a right to end this agreement, as explained in sections 4.2, 4.3 and 10.1(d) and 10.1(e);

(b) also determine how Three Services are presented and delivered to the Device or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;

(c) I use TrafficSense™ across our network to protect the network and to ensure an enjoyable internet experience for the vast majority of our customers. For details see Three.co.uk/trafficsense. We reserve the right to review and amend such measures from time to time.

Limitation of Three Services

5.9 We will always try to make Three Services available to you. However, Three Services are only available within Three's coverage area within the UK. Within this, there may be areas where you do not have access to all Three Services or where coverage or network speeds are otherwise limited or unavailable. For more information about coverage, go to Three.co.uk/coverage. The data speeds that you'll experience on our network will vary due to a number of factors including your distance from the nearest mast. Your location in a building, local geography, congestion and the type of equipment that you're using - for example, you'll only be able to enjoy 4G speeds if you're in a 4G coverage area and using a 4G device.

Disruption to Three Services

5.10 There may be situations when Three Services are not continuously available or the quality or network speeds are affected and so we cannot guarantee continuous fault-free service. For instance:

(a) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services;

(b) when you move outside Three's 3G service area whilst you are on a call (in this case calls may not be maintained);

(c) when you are in areas not covered by the Three Network. In these cases Three Services relies on other operators' networks where we have no control; and

(d) because of other factors outside our control, such as the features or functionality of your Device, regulatory requirements, lack of capacity, interruptions to Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

(e) In the event that you experience continuous or regularly recurring disruption to Three Services, please contact us as set out in section 7 (Your Rights - Complaints) and we will work with you to find an appropriate resolution for your particular circumstances.

6. What you will do in return

Secure your PIN, Passwords and SIM

6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep the SIM safe and secure whilst it is in your possession and you must ensure that you are able to return it to us, if required to do so by us at any time, as set out in these terms. We may charge you for any replacement SIM (as set out in our Price Guide), unless, of course, it is defective through faulty design or workmanship.

6.2 You must keep all PINs and passwords secure and confidential. You are also responsible for the security of your Device and must ensure that you keep it secure (refer to the Device manufacturer's user guide for details of how to keep your Device secure). You must also keep any PINs or passwords for any services you access through your Device secure and confidential. You should immediately change your PIN or password if you become aware that

someone is accessing Three Services on your account without your permission.

Responsible use of Three Services

- 6.3 You may only use Three Services:
- (a) as laid out in this agreement; and
 - (b) for your own personal use. This means you must not resell or commercially exploit any of the Three Services or content.
- 6.4 You must not use Three Services, the SIM or Three phone number or allow anyone else to use Three Services, the SIM or Three phone number for illegal or improper uses. For example:
- (a) for fraudulent, criminal or other illegal activity;
 - (b) in any way which breaches another person's rights, including copyright or other intellectual property rights;
 - (c) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission;
 - (d) to download, send or upload content of an excessive size, quantity or frequency. We will contact you if your use is excessive;
 - (e) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services;
 - (f) to falsify or delete any author attributions, legal or other proper notices or proprietary designation or labels of the origin or source of software or other content contained in a file that you upload; or
 - (g) to use or provide to others any directory or details about Three customers.
- 6.5 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your Three Services and account. You must only use Devices and Accessories authorised by us for Connection to the Three Network and also comply with all relevant legislation relating to their use.
- 6.6 We may publish an acceptable use policy and a traffic management policy which provide more details about the rules for use of certain Three Services in order to ensure that use of Three Services is not excessive, to combat fraud and where Three Services we offer or may introduce require certain rules to ensure they can be enjoyed by our customers. If we publish a policy, we will let you know. Such a policy may be amended from time to time, for instance, if we discover that the Three Services are being used fraudulently or for fraudulent purposes, or the excessive use of certain Three Services is causing problems for Three, its systems or for other users, or if we introduce new services which may require certain rules to ensure that such new services can be enjoyed by our customers. Again, we will let you know if this happens.

Responsible use of Messaging and Storage Services

- 6.7 While using the Messaging Services, you must not send or upload:
- (a) anything that is copyright protected, unless you have permission;
 - (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
 - (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.
- 6.8 We may put limits on the use of certain Three Services, such as Messaging Services or Storage Services. For example, we may limit the size of messages or storage space.
- 6.9 While we have no obligation to monitor the Messaging Services or Storage Services, if you exceed our use limits set out in our fair use policy (which is published as part of our Price Guide and is available on our website or from Three Customer Services), or we are made aware of any issues with your use of these Three Services (for example, if we are made aware that you are using Three Services in any of the ways prohibited in Section 6.8 above) we reserve the right to remove or refuse to send or store content on your behalf. You may still be charged for any content which is blocked or removed.

Responsible use of Age Restricted Services

- 6.10 If you are under 18, you are not permitted to access our Age Restricted Services (if any). If you are 18 or over and you access the Age Restricted Services, you must not show or send content from the Age Restricted Services to anyone under 18. You must also ensure that you have deactivated any access to Age Restricted Services if you let anyone under 18 use your Device.
- Responsible use of Three Services outside the UK
- 6.11 If you use Three Services from a country outside the UK:
- (a) your use of the Three Services may be subject to laws and regulations that apply in that other country. We are not liable for your failure to comply with those laws or regulations;
 - (b) you will be roaming on another operator's network, so you may not receive the same level of coverage as you're used to on Three's Network. When you go online, data speeds may be slower as well. We have no liability if you are not able to access services abroad, or if the quality of any other operator's network services differs from those provided on our Three Network.
- Paying your Bills
- 6.12 You must pay us all Charges in connection with all Three Services relating to the SIM(s) we supply you or which are accessed using your Device(s). You must pay the monthly fee, whether or not voice Units, text Units and/or data Units that are consumed by you or by another person, with or without your permission. You must also pay for all Three

Services which do not involve a conversion of voice Units, text Units and/or data Units within your allowance and which are accessed using the SIM(s) we supply you or which are accessed using your Device(s), whether the Three Services are accessed by you or by another person, with or without your permission. If any of the SIMs or Device(s) are lost or stolen (either separately or with any of your Devices), you remain responsible for all the Charges to your account until you tell us what happened and arrange for your SIM(s) and Device(s) to be deactivated.

- 6.13 We will send you a bill on a periodic basis and this will usually be done monthly. However, we reserve the right to change this period (and we would give you at least 14 days' notice of this).
- 6.14 Your bill will normally include your Monthly Charge for your Package for the next billing period and any administration fees along with Charges for your use of the Three Services in the UK in the last period and outside the UK in prior periods (so far as not within your allowance). If your Package includes an allowance, this will be made up of voice Units, text Units and/or data Units which are convertible into a certain number of voice minutes or text messages, and/or a certain amount of data each month. On your bill, we will include the "per unit" cost for your allowance to help you understand the value you're getting from your Package. If you have not used all of that monthly allowance by the time we bill you it will expire and your monthly allowance will then start again on each monthly bill date (which you will see on your bill).
- 6.15 Charges on your bill are shown inclusive of VAT (where appropriate), unless you're a business customer, in which case, VAT will be added to your bill where appropriate. You can request a VAT invoice by calling 333 free from a Three phone or by calling Customer Services.
- 6.16 You must make your payment by the due date and by one of the payment methods stated on your bill. However, we may also submit an interim bill or require an immediate payment if we think you have exceeded a reasonable limit on your account.
- 6.17 As described in Section 6.14 above, we will send you a bill on a periodic basis, which will usually be monthly. The bill will state the amount of the Charges due from you and the due date by which you must make payment. If you fail to pay your account on time, you will be breaking your agreement and we may Suspend or Disconnect you. In this case, you will have to pay any outstanding Charges. We may set a credit limit on your account. If you exceed the credit limit we set, we may Suspend any or all of the Three Services you use until you have made a payment to your account. You should not use the credit limit for budgeting as the amount you owe is not capped or limited by any credit limit we set.
- 6.18 We may need to take legal or other collection action against you for non-payment of Charges. This could mean you have to pay our costs and expenses, or the costs and expenses of our assignees, including legal costs, with interest added daily.
- 6.19 If you use your Device to buy goods and services from third parties, you are responsible for paying any bill they may send you or any charges you incur in respect of their goods or services.

Responsible use of Go Roam

- 6.20 **If you use Three Services in our Go Roam in Europe destinations:**
- (a) Your data use may be subject to a Fair Use Policy, as published in your Price Guide, and which may be amended from time to time. Any use in excess of this policy, but within any available data allowance will be subject to a regulated surcharge (see www.Three.co.uk/priceguide for details);
- (b) We reserve the right to apply a surcharge in case of abusive use. In order to help us to detect possible abuse of Go Roam in Europe, we may monitor your usage and presence. We'll look at the balance of your roaming and domestic (UK) activity over 4 months: if this shows that you spend the majority of your time abroad and consume more abroad than at home, over the 4 months, we have the right to add a small surcharge to your continued usage. This surcharge is set at a regulated rate, as published in your Price Guide. Before this surcharge is applied, we'll send you a message two weeks in advance, giving you an opportunity to modify your roaming behaviour to avoid being charged this surcharge.

7. Your Rights - Complaints

- 7.1 If you are unhappy about any aspect of our Three Services, you should contact Three Customer Services.
- 7.2 We will investigate any complaint in accordance with our customer complaints code, after which we will contact you with the results. A copy of our customer complaints code can be viewed on our website at **Three.co.uk/complaints** or you can request a copy by contacting Three Customer Services.
- 7.3 See Section 13 for information about data protection and privacy complaints.

8. Our Rights - Intellectual Property

- 8.1 All rights, including copyright in Three Services and their content, belong to us, or our licensed source, such as a content provider. We reserve all our rights.
- 8.2 The 'Three' trademark and other related images, logos and names on Three Services are proprietary marks of our group of companies. We reserve all our rights.

9. Suspension of Three Services

- 9.1 We may Suspend any or all of the Three Services you use without notice if:
- (a) we reasonably believe you have provided us with false or misleading details about yourself as set out in Section 13;
- (b) we advise you that your excessive use of Three Services (as may be defined in accordance with Section 6.7 above)

- is causing problems for other users, and you are continuing to use Three Services excessively;
 - (c) we believe your Device or SIM has been lost, stolen or is being used in a way not permitted by this agreement;
 - (d) we reasonably believe that you have used Three Services, the SIM(s) or a Three phone number for illegal or improper purposes in contravention of our responsible use requirements in Section 6 above;
 - (e) we receive a serious complaint against you which we believe to be genuine (for example, if we receive a complaint that you are using Three Services in any of the ways prohibited in Sections 6.5, 6.8 and 6.11). If this happens, we will deal with the complaint in the manner set out in Section 7; or
 - (f) we are required to suspend your Three Services by the emergency services or other government authorities.
- 9.2 In addition to the circumstances set out in Section 9.1, we may also Suspend any or all of the Three Services you use without notice if:
- (a) you have not paid our Charges on time, or if you have previously failed to pay your Charges on time; or
 - (b) you have exceeded any credit limit that we may have set for you (as set out in Section 6.17 above); or
 - (c) you have insufficient credit in your account to cover charges you agreed to pay in advance.
- 9.3 We may turn off your Messaging Services if they are inactive for an extended period of time - we will let you know before this happens. If we do turn off your Messaging Services we will have no obligation to maintain any of the content in your Messaging Services, or to forward any unopened or unsent messages to you, or anyone else.
- 9.4 If we Suspend any or all of your Three Services, you will still be able to make emergency calls (unless they have been Suspended at the request of the emergency services).
- 9.5 If your Three Services are Suspended, we may agree to re-Connect you if you ask us to do so and there may be a re-Connection Charge for this.

10. Ending this agreement and Disconnection of Three Services

10.1 You may end this agreement in the following ways:

- (a) In certain circumstances under our Returns Policy. You may need to get in touch with Three Customer Services to arrange Disconnection.
- (b) You can end the agreement during your Minimum Term (if you have one - this will be stated in your Package) by giving notice to Three Customer Services 30 days before the date you want to end the agreement. However, you must pay us all the Charges you owe, plus any Cancellation Fee for your Package (as set out in the Price Guide).
- (c) On 30 days' notice, outside the Minimum Term. You can end the agreement if your Package does not contain a Minimum Term, or if you want to end the agreement at the end of your Minimum Term or any time after your Minimum Term has expired, provided you give notice to Three Customer Services at least 30 days before the date you want to end the agreement. A Cancellation Fee will not be charged.
- (d) Within one month of a materially detrimental variation to your agreement. You can end the agreement within one month of us telling you about a variation to your agreement (which includes your Package) which is likely (in our reasonable opinion) to be of material detriment to you. You must give notice to Three Customer Services within that month and your agreement will finish at the end of that month once we receive your notice. Subject to section 10.1(e) below a Cancellation Fee will not be charged.
- (e) You will not be able to end the agreement during your Minimum Term without paying a Cancellation Fee if the variation to your agreement (which includes your Package, the Service or our prices) is due to any of the following circumstances:
 - (i) the variation is due to changes to the law, government regulation or licence which affect us - this includes any increase or change in the rate of VAT or other applicable taxes or any new taxes that are introduced;
 - (ii) the variation relates solely to Additional Services or Add-on(s) In such circumstances you will not be able to end your agreement but you will be able to cancel the Add-on(s) or stop using the Additional Services;
 - (iii) the variation is not (in our reasonable opinion) likely to be of material detriment to you; or
 - (iv) the variation relates to a variation in our Charges for our Outside of Allowance Services and such changes are not (in our reasonable opinion) likely to be of material detriment to you or you don't (in our reasonable opinion) regularly use the Outside of Allowance Services affected.

10.2 We may end this agreement in the following ways:

- (a) On 30 days' notice, outside the Minimum Term. If your Package does not have a Minimum Term, or the Minimum Term has expired, we can end this agreement by giving you at least 30 days' notice.
- (b) Because of your conduct. In the following cases, we may end your agreement immediately and you have to pay all the Charges you owe up until we Disconnect you:
 - (i) if we have the right to Suspend your Three Services on any of the grounds in Section 9 and we believe that the grounds are serious and have not been, or are unlikely to be, rectified;
 - (ii) if we believe that your communications with Three Customer Services or any of our retailers or agents, or your use of our Three Services, are jeopardising the operation of the network, or are of an unacceptable nature;
 - (iii) if we reasonably believe you will not be able to pay your bill. This could result from a failure to pass one of our credit assessments; or
 - (iv) in the event of your bankruptcy, insolvency or death.
- (c) No network access or Three Services. We may end your agreement if we no longer have access to other operators' networks which we need to provide Three Services, or if we are no longer able to provide Three Services due to factors beyond our control or because we cease business.

10.3 Once you are Connected to Three, you can only end this agreement in the ways set out in this Section 10. However, if you are a consumer, any statutory rights which you may have, which cannot be excluded or limited, will not be affected

by this section. For more information on your statutory rights, contact your local authority Trading Standards Department or Citizen's Advice Bureau.

11. **Effect of this agreement ending**

- 11.1 If this agreement ends, we will close your account and Disconnect you and you will not be able to use Three Services or make emergency calls.
- 11.2 You must immediately pay all Charges you owe up to the date the agreement ends. If we end the agreement due to your conduct or if you end your agreement within the Minimum Term, the Charges will include a Cancellation Fee.

12. **Liability - Limits on our liability**

- 12.1 All of our obligations to you relating to Three Services are set out in your agreement. If you wish to make any variations to this agreement or rely on any other term, you must obtain our agreement to the variation or term in writing.
- 12.2 Except as set out in 12.3:
 - (a) all other terms, conditions and warranties relating to Three Services are excluded;
 - (b) our entire liability to you for something we do or don't do will be limited to £3,000 for one claim or a series of related claims; and
 - (c) we are not liable for any loss of income, business or profits, or for any loss or corruption of data in connection with the use of Three Services. We are not liable for any loss or damage that was not reasonably foreseeable when you entered into the agreement.
- 12.3 Nothing in this agreement removes or limits our liability for fraud, for death or personal injury caused by our negligence or for any liability which can't be limited or excluded by applicable law. If you are a consumer, the terms of this agreement will not affect any of your statutory rights which you have, which cannot be excluded by this agreement. For more information on your statutory rights, contact your local authority Trading Standards Department or Citizen's Advice Bureau.

- 12.5 We will not be liable:
 - (a) for any loss you may incur as a result of someone using your PINs or passwords, with, or without, your knowledge; or
 - (b) if we cannot carry out our duties, or provide Three Services, because of something beyond our control.

Others' content and Services - Areas where we have no responsibility.

- 12.6 You may be able to use Three Services:
 - (a) to upload, email or transmit content using Three Services; and
 - (b) to access content which is branded or provided by others and to acquire goods and Services from others. We are not responsible or liable in any way for, and do not endorse, any of this content, goods or Services.
- 12.7 This Section 12 will apply even after this agreement has ended.

13. **Privacy Notice and Your Information**

- 13.1 We are the data controller of Your Information (as defined in Section 13.5) collected through your use of the Three Services for the purpose of UK data protection law. our satisfaction.

- 13.5 In order to supply you with Three Services under this agreement, we may process Your Information. By “Your Information” we mean personally identifiable information:

If you do not provide the relevant information to us, we may not be able to provide the service to you.

Your Information received from other sources

- 13.11 We may receive personal data about you from credit reference agencies, fraud prevention agencies, marketing partners, the electoral register and other commercial partners who may deliver services to us.

Use of Your Information.

- 13.12 Your Information may be used by us, our employees, service providers and disclosed to third parties for the purposes set out below. For each of these purposes, we have set out the legal basis on which we use Your Information.

(a) Credit Referencing, Identity Checks and Fraud Prevention

- (i) In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies (“CRAs”) such as Call Credit, Experian and Equifax. To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information. We will use this information to:
 - Assess your creditworthiness and whether you can afford to take the product;
 - Verify the accuracy of the data you have provided to us;
 - Prevent criminal activity, fraud and money laundering;
 - Manage your account(s);
 - Trace and recover debts; and
 - Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation

with the CRAs to break that link.

The identities of the CRAs, their role also as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail in the Credit Reference Agency Information Notice ("CRAIN"). CRAIN is also accessible from each of the three CRAs – clicking on any of these three links will also take you to the same CRAIN document: Callcredit www.callcredit.co.uk/crain; Equifax www.equifax.co.uk/crain; Experian www.experian.co.uk/crain.

We'll use a combination of credit scoring and/or automated decision making systems when assessing your application.

The legal basis that we rely on to process Your Information for the above purpose is for performance of a contract between you and us or in order for us to take steps prior to entering into a contract with you or our legitimate business interests in order for us to manage our relationship with you.

- (ii) We'll disclose details of your agreement with us, the payments you make under it, account balances and information about any default, dispute, and debts to CRAs. We'll also disclose details of any change of address reported to us or which we become aware of. Credit searches and the information supplied by us and held by CRAs is used by us and other organisations to help make decisions about other credit applications by you or other members of your household with whom you're linked financially to trace debtors, recover debts, to prevent and detect fraud and to manage your account.

The legal basis that we rely on to process Your Information for the above purpose is our legitimate business interests in order for us to manage our relationship with you.

- (iii) We may also check and share your details with fraud prevention agencies such as Action Fraud and CIFAS and we'll record (and pass to the fraud prevention agencies) details of any false or inaccurate information provided by you or where we suspect fraud. Records held by fraud prevention agencies will also be used by us and other organisations to help prevent fraud and money laundering, for example, when checking details on applications for credit or other facilities, managing credit and credit-related accounts or facilities, recovering debt, checking details on proposals and claims for all types of insurance and checking job applications and employees. Those fraud prevention agencies may disclose information to law enforcement agencies where requested and necessary for the investigation of crime. We and other organisations may access and use (from a country other than the UK) the information recorded by fraud prevention agencies.

The legal basis that we rely on to process Your Information for the above purpose is the performance of a contract between you and us or in order for us to take steps prior to entering into a contract with you or our legitimate business interests in order for us to manage our relationship with you.

- (iv) We may also use and share your details for the collection of any debts owed by you. This may include the use of debt collection agencies to collect debts on our behalf or may include the assignment of debts to a third party company. The assignment of debts will involve the sale of your debt and account information to a third party company - this information may include your name, address and contact information, year of birth, debts owed, payment history and other information necessary to help recover the debt.

The legal basis that we rely on to process Your Information for the above purpose is legitimate interest in order to manage our relationship with you.

We may also pass and share information to other communications service providers and network operators for the detection and prevention of theft and fraud. The legal basis that we rely on to process Your Information for the above purpose is legitimate interest in order to manage our relationship with you.

(b) Account and Service Management

- (i) To process applications, registrations or orders made by you, to create and administer accounts, to calculate and charge for Three Services, to produce any necessary invoices or billing statements, and to provide to Three Customer Services, including for the management of any complaints or queries.

The legal basis that we rely on to process Your Information for the above purpose is for performance of a contract between you and us or in order for us to take steps prior to entering into a contract with you.

- (ii) To supply any products, services or information requested by you and/or which we may provide.

The legal basis that we rely on to process Your Information for the above purpose is for performance of a contract between you and us or in order for us to take steps prior to entering into a contract with you.

- (iii) For traffic and billing management, which may involve the use of Your Information. We deploy a balance of technical, logical and security controls to protect the processing of Your Information on the Three network.

The legal basis that we rely on to process Your Information for the above purpose is legitimate interest and/or to enable us to improve and develop our business operations and the services.

- (iv) To ensure the accuracy and performance of Three Services. This may involve the use of Your Information in a live test environment.

The legal basis that we rely on to process Your Information for the above purpose is legitimate interest and/or to enable us to improve and develop our business operations and services.
