for Home Broadband customers who joined or upgraded on or after 29 October 2020.

If you'd like a copy of these Terms in an alternative format (e.g. Braille or large print) please contact Three Customer Services on 333 from a Three Phone or 0333 338 1001 from a non-Three phone. For more information on Three's accessibility services please see [Three.co.uk/accessibility](https://www.three.co.uk/accessibility)

## Quick Summary

We've summarised the key points that we'd like you to be aware of when using Three Home Broadband. The full terms of your agreement with us for use of Three Services are set out below - it's important that you read and understand them before you sign up to Three and start using Three Services. At the end of these Terms we've set out definitions of capitalised words used in these Terms. If there is any inconsistency between this summary, and the full terms set out below, the full terms will govern.

- A **What these terms cover:** The Service provides you with the ability to access the Internet from any of your devices using either the equipment that we provide to you in respect of 5G Home Broadband or the equipment you have purchased (the "Equipment"). These terms cover how you may use our Services and the Equipment. Additional terms can also be found in the Home Broadband Price Guide as well as in other documents about our Services.
- B **Using Three Services:** By plugging in your Equipment you are expressly requesting that Three provide you with our Services on these terms.
- C **Fourteen Day Money Back Guarantee:** If you contact us within 14 days from the date you received your Equipment you may cancel your agreement with us. You will need to send the Equipment back to us (undamaged and in its original packaging including any supplied SIM Cards, leads or accessories). If you do not return the Equipment within 14 days or if the Equipment is damaged then we will charge you for the replacement cost of the Equipment (see Section 8.5)
- D **Your Minimum Commitment:** You agree to stay with us for the Minimum Term. The minimum price for Three Services provided under this agreement is the Monthly Charge for the Minimum Term. Each April, your Monthly Charge will increase by 4.5%. We've shown an example in the following table of how this increase will work. For more information, see Section 4.1:

Monthly Price until March 2021	Monthly Price from April 2021 to March 2022	Monthly Price from April 2022 to March 2023
Price A	Price A plus 4.5% (= Price B)	Price B plus 4.5% (= Price C)
We've set out an example below, showing how this would work, if your Monthly Charge is £30.		
£30.00	£30 + £1.35 (4.5% of £30.00) = £31.35	£31.35 + £1.41 (4.5% of £31.35) = £32.76

- E **Suspending or Ending this Agreement:** We may suspend or disconnect our Services if we reasonably believe that you haven't complied with certain terms of your agreement, but you still must pay all outstanding Charges (including a Cancellation Fee for disconnection). See Section 6.14.

How you can end your agreement depends on whether you're in your Minimum Term or not, and whether we've made any changes to your agreement that are likely to affect you. Please see the below table for a summary of how and when you can end your agreement.

When you wish to end your agreement	Notice Period	What to Do?	Charges Payable
<b>During the Returns Period</b>	Your agreement will end when you notify us, or if you have Equipment to return to us, when we receive that Equipment in accordance with the Returns Policy (whichever is later)	Contact Three Customer Services	Charges for Three Services used. Charges for damage or for any loss of value to the Equipment, as a result of nonessential use, in accordance with the Returns Policy.
<b>During your Minimum Term (but outside of any Returns Period)</b>	30 days	Contact Three Customer Services	All outstanding Charges payable plus your Cancellation Fee. In respect of 5G Home Broadband, charges for failure to return the Equipment or if the Equipment is returned damaged in accordance with the Returns Policy.
<b>Outside of your Minimum Term/if you have no Minimum Term</b>	30 days	Contact Three Customer Services	All outstanding Charges payable. In respect of 5G Home Broadband, charges for failure to return the Equipment or if the Equipment is returned damaged in accordance with the Returns Policy.
<b>We make a change that, in our reasonable opinion, is likely to be of material detriment to you</b>	Your agreement will end, on your request, before the notified change comes into effect.	Contact Three Customer Services	All outstanding Charges payable. In respect of 5G Home Broadband, charges for failure to return the Equipment or if the Equipment is returned damaged in accordance with the Returns Policy.

The Cancellation Fee will be the total of the Monthly Charges remaining during the Minimum Term of your agreement less a variable discount, currently 3%. We reserve the right to vary the amount of the percentage discount from time to time.

- F. **Equipment:** Where we have provided any 5G Equipment this Equipment is not owned by you and is loaned to you for the duration of you taking our Services. The 5G Equipment is supplied to you at no cost and remains the property of Three at all times. When you stop taking our Services you must return the 5G Equipment. If you do not return the 5G Equipment within 28 days we will charge you a non-return charge (see Section 9.7).
- G. **Your Information:** You agree that we can process your information which we collect and / or which you give to us during any sales or registration process, for a number of purposes, including, but not limited to, opening and managing an account for Three Services, to deliver products and services ordered by you, for credit checking and fraud prevention, and for product analysis and direct marketing (subject to your preferences). See Section 15 below.

# Your Pay Monthly Home Broadband Terms in Full

## 1. Who's who and what's what

### 1.1 When we say:

- (a) 'we', 'us' or 'our', we mean Hutchison 3G UK Limited, trading as 'Three', (company number 03885486), with its registered address at Star House, 20 Grenfell Road, Maidenhead, Berkshire, SL6 1EH;
- (b) 'you' or 'your', we mean you, our customer whose name appears on the Welcome Letter;
- (c) 'agreement', we mean your agreement with us for the supply of Three Services. Section 2.1 explains what terms make up your agreement.

1.2 We've set out in the glossary some useful definitions of words we use in these Terms.

## 2. About your agreement

2.1 Your agreement is made up of these Terms and your Package (as set out in our Price Guide), along with any other terms laid down in additional Three Services. Additional terms may apply to any promotional or special offers.

2.2 Your agreement is personal to you. Unless we give you permission, you can't pass your rights or responsibilities to anyone else - even if you give your Equipment to others. It's your responsibility to make sure the SIM in your Equipment is only used to access Three Services as allowed under this agreement.

2.3 This agreement doesn't cover any products or services you buy while using Three Services.

## 3. When your agreement starts

3.1 Your agreement starts when we Connect you to Three. By plugging in your Equipment you're expressly requesting that we provide you with the Three Services. For existing customers who have upgraded with us by signing up to a new agreement for a new Minimum Term, your new agreement will start on the day we accept your new request for Three Services, unless we agree an alternative date with you.

3.2 You may cancel your agreement within the Returns Period. If you use Three Services before you cancel you will be charged for them. Please see our Returns Policy at [Three.co.uk>Returns](https://www.three.co.uk>Returns) for more information.

3.3 If your Package has a Minimum Term, you agree to remain Connected to Three for that Minimum Term. You have limited rights to end the agreement during the Minimum Term as set out in Section 12. If your Package doesn't have a Minimum Term, or your Minimum Term has ended, we'll supply you with Three Services until either of us chooses to end the agreement in any of the ways set out in Section 12.

## 4. Changes to your agreement or prices

4.1 Your Monthly Charge will be subject to an annual increase of 4.5%. The annual increase will first appear on your April bill.

4.2 We may change any of the terms of your agreement, including our Packages or prices. We'll let you know at least one month in advance if we decide to:

- (i) discontinue your Package; or
- (ii) make any changes to your agreement which are (in our reasonable opinion) likely to be of material detriment to you. You can end the agreement for such changes as explained in Section 12;

4.3 You won't be able to end your agreement if any change or increase:

- (a) is due to changes to the law, regulation or licence which affect us - this includes any increase or change in the rate of VAT or other applicable taxes or any new taxes that are introduced; or
- (b) relates solely to an Annual Price Change.

4.4 If you carry on using Three Services after any change takes effect, you will be considered to have accepted the change, and won't be able to then end the agreement.

## 5. What we'll provide to you.

5.1 We'll open an account for you and provide you with a SIM (in most cases this will already be in the Equipment) and in respect of 5G Home Broadband the Equipment.

5.2 We own each SIM and each SIM remains our property at all times. You're being allowed to use the SIM by us on a limited licence to allow you to access Three Services. We may recall the SIM at any time and you can only use the SIM to obtain Services from us.

5.3 Each SIM can only be used in Equipment which is authorised by us for Connection to the Three Network. If you try to use the SIM in another device, it may damage the device and affect your usage. In these instances, we're not responsible for any such damage or usage problems. Should you remove the SIM from your Three Broadband Equipment and use in a mobile device you will be charged in accordance with our Mobile Broadband Price Guide.

5.4 If we determine in our sole opinion that your use of the Three Services either exceeds that reasonably expected of someone using the Service or materially affects other users' enjoyment of the Service, or has an adverse impact on our network,

then we will by written notice, give you a 14 day period in which to reduce your usage levels to those reasonably expected of a person using the Service. If usage activity has not decreased within the 14 day notification period we may at our discretion terminate, suspend or restrict your Three Service. We will try to tell you when we suspend or restrict your Three Service but we do not have to.

- 5.5 The software in the Equipment and all intellectual property rights in that software are owned by the Equipment manufacturer and you're being allowed to use the software on a limited licence from the manufacturer.

### **Three Services**

- 5.6 Once you're Connected to Three we'll provide you with access to Three Services.

- 5.7 It is your responsibility to ensure that any Equipment is only used to access the Three Services as allowed in this Agreement.

- 5.8 You will be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on Three Services.

- 5.9 We:

- (a) may change or withdraw some, or part, of Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or change content. Depending on the changes that we make, you may have a right to end this agreement, as explained in Sections 4.2 - 4.4 and 12.1.
- (b) may also determine how Three Services are presented and delivered to the Equipment or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;
- (c) may implement measures to manage the traffic across our network in exceptional circumstances to prevent impending network congestion and/or mitigation the effects of any exceptional or temporary network congestion. We may also implement traffic management measures in order to meet our legal obligations, preserve the integrity and security of our networks, services, or terminal equipment and to ensure an enjoyable internet experience for the vast majority of our customers. For details see [Three.co.uk/trafficsense](http://Three.co.uk/trafficsense). We reserve the right to review and amend any such measures from time to time.

### **5.10 Coverage and Broadband speeds**

- 5.10.1 Our advertised and estimated maximum upload and download speeds for our broadband internet services, provided as part of the Three Services, are set out in our estimated broadband speeds table, available at:

[www.three.co.uk/broadbandspeeds](http://www.three.co.uk/broadbandspeeds)

- 5.10.2 We do not guarantee that our broadband service will achieve any specific speeds. The speeds achieved by our broadband service will depend on factors such as your geographic location, the type of walls and windows in your building, the number of people using the network, the external environment, and the correct setup of your Equipment.

- 5.10.3 We may implement measures to manage the traffic across our network in exceptional circumstances to prevent impending network congestion and/or mitigation the effects of any exceptional or temporary network congestion. We may also implement traffic management measures in order to meet our legal obligations, preserve the integrity and security of our networks, services, or terminal equipment, or to provide you with any particular services you have requested. For more information on traffic management on our network, please visit:

[http://support.three.co.uk/mobiledocs/Support/Signal\\_and\\_coverage/our\\_network/TrafficSense\\_facts\\_document.pdf](http://support.three.co.uk/mobiledocs/Support/Signal_and_coverage/our_network/TrafficSense_facts_document.pdf)

- 5.10.4 The variability of the download and upload speeds achieved, and the technology used to access the broadband services, may affect your experience of our services and your ability to access and distribute information and content, and use and provide applications and services.

- 5.10.5 In the event that you experience continuous or regularly recurring disruption to the broadband services you may be entitled to a price reduction based upon the period of the disruption, in accordance with Section 5.11 Disruption to Three Services.

### **5.11 Disruption to Three Services**

- 5.11.1 Due to the nature of mobile technology, there may be situations when Three Services aren't always available, or the quality or network speeds are affected and so we cannot guarantee continuous fault-free service. For example: (a) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services; (b) when you're in areas not covered by the Three Network. In this case, Three Services relies on other operators' networks, over which we have no control; and (c) because of factors outside our control, such as legal or regulatory requirements, lack of capacity, interruptions to Three Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

- 5.11.2 For more information about coverage see [Three.co.uk/coverage](http://Three.co.uk/coverage). You have the right to change your mind and return your Equipment within the first 14 days of receipt of the Equipment.

- 5.11.3 In the event that you experience continuous or regularly recurring disruption to Three Services (such as where your access to Three Services is limited or unavailable) or there is a significant discrepancy between the advertised speed provided in the broadband speeds table at [www.three.co.uk/broadband-speeds-and-your-normally-available-speed](http://www.three.co.uk/broadband-speeds-and-your-normally-available-speed) then you may be entitled to a price reduction based upon the period of the disruption or early termination of your contract. A price reduction may take the form of a partial or full credit of your Monthly Charge. To receive a credit of your charges or to terminate the Agreement you'll need to report a severe disruption or speed reduction to us in order that we may investigate your concerns, consider the extent to which you use the Three Services in question and measure the disruption against your

typical usage history. This is without prejudice to any remedies which may be available to you under consumer law (as explained more fully at Section 14.3) or general contract law, including damages or early termination of this agreement (where the disruption to Three Services is very serious). Please contact us as set out in Section 7 (Your Rights - Complaints) and we'll work with you to find an appropriate resolution for your particular circumstances.

#### **6. What you'll do in return - Personal Security**

- 6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep it safe and secure whilst it's in your possession and you must ensure that you're able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Price Guide).
- 6.2 You must keep all PINs and passwords secure and confidential. You're also responsible for the security of your Equipment and must make sure that you keep it secure. You must also keep any PINs or passwords for any services you access through your Equipment secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services on your account without your permission.

#### **Responsible use - How you use the Three Services**

- 6.4 You may only use Three Services:
  - (a) as set out in this agreement; and
  - (b) for your own personal use. This means you must not resell or commercially exploit any of Three Services or our content.
- 6.4.1 The Three Home Broadband Service is a domestic service and roaming will not apply. We are supplying you with indoor Equipment for use in your home at the address you have provided. Should you roam with your Equipment you will be charged in line with our current Mobile Broadband Price Guide (available at [www.Three.co.uk/priceguide](http://www.Three.co.uk/priceguide))
- 6.4.2 You mustn't use Three Services or the SIM or allow anyone else to use Three Services or the SIM for illegal or improper uses. For example:
  - (a) for fraudulent, criminal or other illegal activity;
  - (b) in any way which breaches another person's rights
  - (c) including copyright or other intellectual property rights;
  - (d) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission; to download, send or upload content of an excessive size, quantity or frequency. We'll contact you if your use is excessive;
  - (e) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services; or to use or provide to others any directory or details about Three customers.
- 6.5 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Equipment and any instructions regarding the use of your plan, as set out in your Price Guide (available at [www.Three.co.uk/priceguide](http://www.Three.co.uk/priceguide)).
- 6.6 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services, you will, notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.
- 6.7 We may publish an acceptable use policy which provides more details about the rules for use to ensure that use of Three Services is not excessive, to combat fraud; and where Three Services we offer or may introduce require certain rules to ensure they can be enjoyed by all our customers. Any such policy will be available on our website and may be changed from time to time.

#### **Responsible use - How you use the Age Restricted Services**

- 6.8 If you're under 18, you're not allowed to access our Age Restricted Services. If you're 18 or over and you access the Age Restricted Services, you mustn't show or send content from the Age Restricted Services to anyone under 18. You must also ensure that you've deactivated any access to Age Restricted Services if you let anyone under 18 use your Equipment.

#### **Responsible use - How you use the Three Services outside the UK**

- 6.9 You may accidentally roam if you're in an area close to national borders because your Equipment picks up a network signal across the border. If this is the case then you may be charged as if you were roaming on an international network. We accept no responsibility for information processing when it leaves our control.

#### **Paying your Bills**

- 6.10 You must pay us all Charges in connection with all Three Services which are accessed using the SIM we supply you. You must pay the Monthly Charge, whether or not the Three Services are used by you or by another person, with or without your permission. If your SIM and/or Equipment is lost or stolen you remain responsible for all the Charges to your account until you tell us what happened and arrange for your SIM and/or Equipment to be deactivated.
- 6.11 We'll send you a bill on a periodic basis and this will usually be done monthly. However, we may change this period, and we would give you at least 14 days' notice of this.
- 6.12 Your bill will normally include your Monthly Charge for your Package for the next billing period and any administration fees

and Additional Charges.

- 6.13 We will provide bills online. Charges on your bill are shown inclusive of VAT (where appropriate), unless you're a business customer, in which case, VAT will be added to your bill where appropriate.
- 6.14 You must make your payment by the due date and by one of the payment methods stated on your bill. Your bill will state the amount of the Charges due from you and the due date by which you must make payment. If you fail to pay your account on time, you will be breaking your agreement and we may Suspend or Disconnect you. In this case, you will have to pay any outstanding Charges. We may set a credit limit on your account. If you exceed the credit limit we set, we may Suspend any or all of the Three Services you use until you've made a payment to your account. You shouldn't use the credit limit for budgeting as the amount you owe isn't capped or limited by any credit limit we set.
- 6.15 We may need to take legal or other collection action against you for non- payment of Charges. This could mean you have to pay our reasonable costs and expenses, or the reasonable costs and expenses of our assignees, including legal and administration costs. Interest may be added on a daily basis to any unpaid Charges and costs, at 2% per annum above the base rate of HSBC Bank plc, from the date payment is due until it is received.
- 6.16 As a condition of signing up to Three Services, we require you to set up a direct debit to pay your Charges and you will benefit from a discount to your Monthly Charge if you pay by this efficient means. In order to maintain this discount, you must continue to have a valid direct debit or other Recurring Payment Method in place. If you don't have a Recurring Payment Method in place, and pay us by other means, you won't benefit from the discount. Please see the Price Guide for further details of the discount amount and Recurring Payment Methods we accept.

## **7 Your Rights - Complaints**

- 7.1 If you're unhappy about any aspect of Three Services, you should contact Three Customer Services.
- 7.2 We'll investigate any complaint in accordance with our customer complaints code, after which we'll contact you with the results. A copy of our customer complaints code can be viewed on our website at [Three.co.uk/complaints](https://www.three.co.uk/complaints) or you can request a copy by contacting Three Customer Services. If we are unable to resolve your complaint, you may, depending on the nature of your complaint, be entitled to ask Ombudsman Services: Communications to consider your complaint for you. Their website address is: <https://www.ombudsman-services.org>. Alternatively, if your complaint is about a purchase you made online and we have been unable to resolve your concerns through our complaints process, you can submit your complaint through the European Commission's online dispute resolution platform which can be found at the following website address: <http://ec.europa.eu/consumers/odr/>.
- 7.3 See Section 15 for information about data protection and privacy complaints.

## **8 Equipment**

- 8.1 We will provide you with the Equipment needed to use the Three Service, this includes all cables you need for the hub to work and a SIM card in order to access the Three Service.
- 8.2 If we provide you with 5G Equipment, this remains our property at all times. All SIM cards also remain our property at all times.
- 8.3 We and our suppliers retain title to and ownership of the software for 5G Equipment we provide to you and all intellectual property rights in and on that 5G Equipment. We may need to alter or replace Equipment from time to time. For us to do this, we need you to follow our reasonable instructions if we send you replacement equipment, for example where we need to upgrade the equipment for security or performance improvements. You are responsible for making sure that the equipment is safe and used properly at all times. To do this, you agree to do the following: (a) follow the manufacturer's instructions and any other reasonable instructions we have given you; (b) keep the equipment under your control (for example, you may not sell it, lend it or hire it out to anyone else, put it up as security for a loan or mortgage, or allow it to be seized under any legal process against you); (c) insure any of the equipment against any loss, theft or damage for the full replacement value; (d) not tamper with disassemble, misuse, neglect or damage the equipment; (e) not remove, tamper with or cross out any words or labels on the equipment; and (f) take proper care at all times to try and prevent the loss or theft of equipment.
- 8.4 You agree to tell us as soon as you can about any loss or damage to any part of our equipment. You should do this by contacting our customer services team. You agree that you are responsible for any loss of or damage to the equipment, regardless of how it happens, unless it is our fault. We will charge you for any loss of or damage to any 5G Equipment or SIM that you are responsible for.
- 8.5 You will have received certain software in the equipment at the point of activation of the Three Service, and other software programs we may deliver to the equipment from time to time, which the equipment will automatically accept. You may use this software solely in executable code form and solely in conjunction with the equipment. You must not use any unauthorised software on the equipment.

## **9 Returning Equipment**

- 9.1 You must return any item of Equipment that:
- (a) You are returning because you have notified us that you wish to cancel the Service under the terms of the fourteen day money back guarantee (see Section 12); or

  - (b) if you decide to disconnect from some of our Services;
  - (c) if you take up an offer to upgrade the 5G Equipment we provide to you;
  - (d) if you report the 5G Equipment to be faulty; or
  - (e) if we request you to return the 5G Equipment to us for any other reason.
- 9.6 You must return the 5G Equipment to us in a reasonable condition, allowing for fair wear and tear. We will send to you a returns bag so that the item can be returned at no cost to you. You must provide us with proof of postage of the 5G Equipment.
- 9.7 If You fail to return the 5G Equipment after 28 days, as required by Section 9.5, You will have to pay a non-return charge. For more information about these charges please see the FAQs section on our website at <http://www.three.co.uk/store/broadband/homebroadband>.
- 9.8 If We hold any of your money We may use that money towards payment of the non-return charge.
- 9.9 Payment of the non-return charge does not transfer ownership of the 5G Equipment to you and you are still required to return the 5G Equipment to us. If You have failed to do so we may take legal action to recover it from you.
- 9.10 If you have any additional Equipment that you do not need to return in accordance with Section 9.5, we encourage you to dispose of it responsibly if you are no longer using it so please contact us for further information about disposing of your additional Equipment.

  - (d) we reasonably believe that you've used Three Services or SIM(s) for illegal or improper purposes in contravention of our responsible use requirements in Section 6 above;
  - (e) we receive a serious complaint against you which we believe to be genuine (for example, if we receive a complaint that you're using Three Services in any of the ways prohibited in Section 6); or
  - (f) we're required to Suspend your Three Services by the emergency services or other government authorities.
- 11.2 In addition to the circumstances set out in Section 11, we may also Suspend any or all of the Three Services you use without notice if:

  - (c) you have insufficient credit in your account to cover Charges you agreed to pay in advance.
- Additionally, we reserve the right to Suspend any other account(s) you have with us, if we reasonably believe that you will be unable to pay the relevant Charges.

- (d) within one month of us telling you about a variation to your agreement (which includes your Package) which is likely (in our reasonable opinion) to be of material detriment to you. You must give notice to Three Customer Services within that month and your agreement will finish at the end of that month once we receive your notice.

- 15.10 We may receive personal data about you from credit reference agencies, fraud prevention agencies, marketing partners, the electoral register and other commercial partners who may deliver services to us.

### **Use of Your Information.**

15.11 Your Information may be used by us, our employees, service providers and disclosed to third parties for the purposes set out below. For each of these purposes, we have set out the legal basis on which we use Your Information.

**(a) Credit Referencing, Identity Checks and Fraud Prevention**

- (i) In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies (“CRAs”) such as Call Credit, Experian and Equifax. To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information. We will use this information to:
- Assess your creditworthiness and whether you can afford to take the product;
  - Verify the accuracy of the data you have provided to us;
  - Prevent criminal activity, fraud and money laundering;
  - Manage your account(s);
  - Trace and recover debts; and
  - Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs. When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

The identities of the CRAs, their role also as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail in the Credit Reference Agency Information Notice (“CRAIN”). CRAIN is also accessible from each of the three CRAs – clicking on any of these three links will also take you to the same CRAIN document: Callcredit [www.callcredit.co.uk/crain](http://www.callcredit.co.uk/crain); Equifax [www.equifax.co.uk/crain](http://www.equifax.co.uk/crain); Experian [www.experian.co.uk/crain](http://www.experian.co.uk/crain).

We'll use a combination of credit scoring and/or automated decision making systems when assessing your application.

The legal basis that we rely on to process Your Information for the above purpose is for performance of a contract between you and us or in order for us to take steps prior to entering into a contract with you or our legitimate business interests in order for us to manage our relationship with you.
