Acceptable use

Three Business Broadband is a UK service designed for use in your business premises and not intended for roaming. If you roam with your Three Broadband Hub, you will be subject to a daily charge to access your data allowance, within your Go Roam destination(s), and our fair use policies will apply. These may be updated from time to time. For full details on charges, please see our current [Business price guide](#).

The SIM that comes with your Broadband Hub is intended for data use in the UK. Although not its intended use, the SIM will allow customers to make voice calls and send/receive text messages (depending on the device using the SIM) and these will be charged at "Outside of Allowances Service Rates". These charges can be found in the [Business price guide](#).

Three reserve the right to apply a surcharge and/or suspend a customer's account in line with our fair use policy, and in case of abusive use. See three.co.uk/go-roam

Unlimited data

Unlimited data is part of every customer's plan, so there are no hidden caps or limits when using Three Business Broadband within the UK. Your allowance must be used for legitimate business use only, and not for any illegal, commercial or improper purposes. See Three's [Terms and Conditions](#) for acceptable use.

Understanding our charges

Each individual charge on your bill is shown with VAT excluded (where relevant), and is rounded up or down to the nearest penny. This rounding process means that the total charges on your bill summary page may not always be identical to the 'Total due by' charge seen on the front page of your bill. This is normal and you will not be overcharged or undercharged. The amount you need to pay is the one shown on the bill's front page, next to 'Total due by'.

Your first bill

The charges you pay on your first month's bill will depend on the date you joined Three, or the date you purchased your plan and any other Add-ons. Your first bill's charges and allowances will reflect the number of days between that date until the end of the calendar month. From then on, you simply pay the standard recurring monthly charge, or recurring Add-on charge, for each monthly billing cycle.

VAT invoices

VAT invoices are issued to all Business customers as standard.

Setting spending caps

All the Business Broadband plans featured in this price guide allow you to control your spend if you are worried about incurring additional costs.

We ask all new and upgrading customers at the point of sale if they want to set a spend cap on their monthly bills. This will apply to all outside of allowance charges in the UK and while roaming, including the daily roaming charge in [Go Roam](#) destinations.

Customers can set up or change their spend cap with Three at any time – just log in to your [Business account online](#), select “Manage Plan”, and then “Change Spend Cap”.

Please note: Three Business Broadband is intended for data only. If you put the SIM from your Broadband Hub in a device that can also make and receive calls and texts, the customer will be charged for any calls or texts in line with Three's current [Business price guide](#).

Early cancellation fee

If you cancel your Three Business Broadband plan prior to the end of any fixed term you may be charged a fee for leaving early. The cancellation fee will be calculated as a lump sum, equivalent to the total of the monthly charges remaining during the minimum term of your plan.

Cancellation fee calculation example

Monthly charge	£24
Number of months remaining in the minimum term	6
Cancellation fee	£24 x 6 months = £144

Final bill refunds

If your account is in credit when it closes, a refund may be due. Any refund that's over 50p, will be refunded within 14 days of your final bill. This refund will be sent to the bank account linked to your Three account. If you settle your monthly bill by card payment, any refund owed will be refunded directly to your payment card. If your refund is less than 50p, a refund can be arranged by calling 0333 338 1003, or by using our Live Chat service. If Three cannot refund your credit and it remains unclaimed for a period of 6 months, Three will donate this credit to our charity partner. Please note, not all types of credit are eligible for a refund. To find out more about our terms and conditions on refunds, please visit [three.co.uk/terms-conditions](#)

Recurring payment discount

Our price plans include a £5 discount for paying by Direct Debit.

We recommend that Business customers join using Direct Debit. Payments will be taken automatically, so your account will not be suspended if you forget to pay.

Customers can change their bank details at any time. Please note that for changes to apply before the next billing cycle, they must be made at least 3 days before payment is due.

A customer can cancel a Direct Debit at any time by calling Three, or by contacting their bank or building society. However, the customer is still required to pay bills by the due date. If a customer cancels a Direct Debit within 3 days of the due date, the balance due will still be taken. To avoid possible bank charges, please contact your bank to discuss available options.
