

Pay As You Go Terms and Conditions for using the Three network.

All the things you need to know now
that you're using our network and
Services.

Quick Summary

We've summarised the key points that we'd like you to be aware of when using Three Services on Pay As You Go.

The full terms of your agreement with us for use of Three Services are set out below these – it's important that you read and understand them before you start using Three Services.

At the end of these Terms, we've set out definitions of capitalised words used in these Terms. If there is any inconsistency between this Quick Summary section, and the full terms set out below, the full terms will govern.

A. What these terms cover

They only cover the terms on which you may use our Services. They don't cover your purchase of your Device.

Additional terms can also be found in the Pay As You Go Price Guide, as well as within our Services on the Device and in other documents about our Services.

B. Using Three Services

By inserting your SIM you are expressly requesting that Three provide you with our Services on these terms.

If you wish to use Three Services, you need to top-up your account by purchasing and activating Pay As You Go Vouchers. All Pay As You Go Vouchers and Add-ons must be activated within 90 days of purchase. Additionally, some Pay As You Go Vouchers and Add-ons expire within a certain period after activation, for example, 30 days. Validity and expiry periods (if applicable) for each type of Pay As You Go Voucher and Add-on can be found in our Pay As You Go Price Guide and other customer documentation.

C. Suspending or Ending this Agreement

We may suspend or disconnect our Services if we reasonably believe that you haven't complied with certain terms of your agreement.

If within a 6 month period you have not (i) activated a Pay As You Go Voucher on your account or (ii) made any chargeable events or activities (for example, made telephone calls, sent text or photo messages, accessed content or the internet or any other Three Services for which a charge is made), we may also suspend our Services or disconnect you.

You can end this agreement at any time by stopping your use of Three Services. See Sections 4, 9 and 10.

D. Your Information

You agree that we can process your information which we collect during any sales or registration process, for a number of purposes including, but not limited to, opening and managing an account for Three Services, to deliver products and services ordered by you, for

fraud prevention, and for product analysis and direct marketing (subject to your preferences). See Section 13.

If you'd like a copy of these Terms in an alternative format (e.g. Braille or large print) please contact Three Customer Services on 333 from your Three Phone or 03333 300 3333 from a non-Three phone. For more information on Three's accessibility services please see Three.co.uk/accessibility

Pay As You Go Terms for using the Three network

1 Who's who and what's what

- 1.1 When we say:
 - (a) 'we', 'us' or 'our', we mean Hutchison 3G UK Limited, trading as 'Three';
 - (b) 'you' or 'your', we mean you, our customer;
 - (c) 'agreement', we mean your agreement with us for the supply of Three Services.
- 1.2 We also have set out in the glossary some useful definitions of words we use in these Terms for Three Services.

2 About your agreement

- 2.1 Your agreement is made up of these Terms for Three Services and your Package, along with any other terms laid down in selected Additional Three Services on the Device. Additional terms may apply to any promotional or special offers.
- 2.2 Your agreement is personal to you. You have to do what you've contracted to do, unless we write and say you can do something outside the agreement. Unless we give you permission (acting reasonably), you can't pass your rights or responsibilities to anyone else – even if we give you more than one SIM or you give your Device to others. It's your responsibility to make sure the SIMs are only used to access Three Services as permitted in this agreement.
- 2.3 This agreement does not cover:
 - (a) any products or services you buy while using Three Services;
 - or

- (b) the supply of your Device. The manufacturers of Devices are not related to us. Any terms relating to Devices will be given to you separately.

3 When your agreement begins

- 3.1 Your agreement starts when we Connect you to Three. By inserting your SIM you are expressly requesting that Three provide you with our Services.

4 Variations to your agreement or prices

- 4.1 We may vary any of the terms of your agreement, including our Packages, Add-ons or prices, on the following basis:
 - (a) any updated Packages and new terms will be available on our website and on request to Three Customer Services;
 - (b) we will let you know at least one month in advance if we decide to:
 - (i) discontinue your Package; or
 - (ii) make any variations to your agreement which are (in our reasonable opinion) likely to be of material detriment to you.
- 4.2 You are free to stop using Three Services if we make such variations, but if you carry on using Three Services after any variation or change commences, you will be deemed to have accepted the variation.

5 What we will provide for you A Three phone number and SIM

- 5.1 We will open an account for you and provide you with a SIM and, if you are a phone customer, a Three phone number (and we may agree to provide you with additional SIMs and phone numbers on your request).
- 5.2 We own each SIM and each SIM remains our property at all times. You are being allowed to use the SIM by us on a limited licence to enable you to access Three Services, in accordance with the terms of this agreement. We may recall the SIM(s) at any time for upgrades, modifications, misuse or when your agreement ends. You can only use our SIM to obtain Services from us.
- 5.3 Each SIM may only be used in Devices:

- (a) which are enabled for Three Services and are authorised by us for Connection to the Three network. Any attempt to use the SIM in other Devices may result in serious damage to the Device and may prevent you from being able to use it, including the making of emergency calls. In these instances, we are not responsible for any such damage or usage problems; and
- (b) which are in the Device category it was provided to you for, for example, you must not use a SIM for a phone in a tablet or dongle.

5.4 Devices which can be used to access Three Services may be locked to our network. The software in the Device and all intellectual property rights in that software are owned by the Device manufacturer and you are being allowed to use the software on a limited licence from the Device manufacturer. If you want your Device to be unlocked from our network, you can contact us and we can help to arrange for your Device to be unlocked in an authorised manner (which may include replacing your Device with an unlocked Device, which is the same or similar specification to your Device). Prior to your Device being unlocked, you must ensure that you back-up or otherwise store separately any of your information or other data on the Device which you may require, as this may be lost during the Device unlocking process. We are not responsible for any information or any other data which may be lost during the Device unlocking process.

5.5 If you are a phone customer, you can move your existing phone number to Three. First, you need to ask your previous mobile network operator for your porting authorisation code (PAC), and then you will need to give your PAC to us. Once we have verified the details of your porting request, we will tell you the date when your phone number will be moved to Three. If the move is delayed and the delay is our fault, you may be entitled to compensation in the form of a one-off reimbursement of a portion of your Charges. Contact Three Customer Services to find out more.

Three Services

5.6 Once you are Connected to Three:

- (a) we will provide you with access to our Services. The Three Services will include Premium Services (which may require you

to request them and our prior approval for you to use some of those Premium Services) and may also include Age Restricted Services, provided you are 18 or over and you do not show or send any content from the Age Restricted Services to anyone under 18.

- (b) you can make free calls to emergency services from your Phone by calling **999** or **112**.
 - (i) When you are outside of Three's coverage area in the UK, your Phone will try to locate another mobile network so that you can try to contact the emergency services (however, neither your mobile telephone number nor your location data will be transmitted to the emergency services in these circumstances).
 - (ii) If you need to contact the emergency services whilst you are roaming abroad, you will need to call **112** (this number is recognised by most mobile operators worldwide), however your location data may not be transmitted.
 - (iii) Emergency service calls cannot be made using Skype (or certain other voice over IP services) on your Phone – if you do wish to call the emergency services, you will need to make a normal voice call from your Phone.
 - (iv) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your location to 999 or 112 – the text will be converted and passed to the appropriate emergency service but you will need to register your Phone before you can use this service – details on how to do this are available at www.emergencysms.org.uk
- (c) If you have a Device, other than a Phone, such as a Tablet, which is capable of making telephone calls, you may be able to use this to make free calls to Emergency Services in the UK by calling **999** or **112**, however your Location Data may not be transmitted to the emergency services in these circumstances.

5.7 You may also be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on the Three Services.

- 5.8 We may:
- (a) change or withdraw some, or part, of the Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or modify content. Depending upon the changes that are made, you may have a right to end this agreement, as explained in Sections 4 and 10;
 - (b) also determine how Three Services are presented and delivered to the Device or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;
 - (c) will use TrafficSense™ across our network to ensure an enjoyable internet experience for the vast majority of our customers. For details see Three.co.uk/trafficsense.

Limitation of Three Services

- 5.9 We will always try to make Three Services available to you. However, Three Services are only available within Three's coverage area within the UK. Within this, there may be areas where you do not have access to all Three Services or where coverage is otherwise limited or unavailable. For more information about coverage, go to Three.co.uk/coverage.

Disruption to Three Services

- 5.10 There may be situations when Three Services are not continuously available or the quality is affected and so we cannot guarantee continuous fault-free service. For instance:
- (a) when we need to perform upgrading, maintenance or other work on the Three network or Three Services;
 - (b) when you move outside Three's 3G service area whilst you are on a call (in this case calls may not be maintained);
 - (c) when you are in areas not covered by the Three network. In these cases Three Services relies on other operators' networks where we have no control; and
 - (d) because of other factors outside our control, such as the features or functionality of your Device, regulatory requirements, lack of capacity, interruptions to Services from

other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

6 What you will do in return

Personal Security

- 6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep the SIM safe and secure whilst it is in your possession and you must ensure that you are able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Price Guide), unless, of course, it is defective through faulty design or workmanship.
- 6.2 You must keep all PINs and passwords secure and confidential. You are also responsible for the security of your Device and must ensure that you keep it secure (refer to the Device manufacturer's user guide for details of how to keep your Device secure). You must also keep any PINs or passwords for any services you access through your device secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services on your account without your permission.

Responsible use – How you use the Three Services

- 6.4 You may only use Three Services:
- (a) as laid out in this agreement; and
 - (b) for your own personal use. This means you must not resell or commercially exploit any of the Three Services or content.
- 6.5 You must not use Three Services, the SIM or Three phone number or allow anyone else to use Three Services, the SIM or Three phone number for illegal or improper uses. For example:
- (a) for fraudulent, criminal or other illegal activity;
 - (b) in any way which breaches another person's rights, including copyright or other intellectual property rights;
 - (c) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission;

- (d) to download, send or upload content of an excessive size, quantity or frequency. We will contact you if your use is excessive;
- (e) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three network, the networks or systems of others or Three Services; or
- (f) to use or provide to others any directory or details about Three Customers.

6.6 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Device.

6.7 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services, you will notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.

6.8 We may publish an acceptable use policy and a traffic management policy (you may see this referred to as "TrafficSense™") which provide more details about the rules for use of certain Three Services in order to ensure that:

- (a) the use of Three Services is not excessive;
- (b) to combat fraud; and
- (c) where Three Services we offer, or may introduce, require certain rules to ensure they can be enjoyed by our customers.

If we publish a policy, we will let you know. Such a policy may be amended from time to time, for instance, if we discover that the Three Services are being used fraudulently or for fraudulent purposes, or the excessive use of certain Three Services is causing problems for Three, its systems or for other users, or if we introduce new services which may require certain rules to ensure that such new services can be enjoyed by our customers. Again, we will let you know if this happens.

Responsible use – How you use the Messaging and Storage Services

6.9 While using the Messaging Services, you must not send or upload:

- (a) anything that is copyright protected, unless you have permission;
- (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
- (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.

6.10 We may put limits on the use of certain Three Services, such as Messaging Services or Storage Services. For example, we may limit the size of messages or storage space.

6.11 While we have no obligation to monitor the Messaging Services or Storage Services, if you exceed our use limits set out in our fair use policy (which is published as part of our Price Guide and is available on our website or from Three Customer Services), or we are made aware of any issues with your use of these Three Services (for example, if we are made aware that you are using Three Services in any of the ways prohibited in Section 6.8) we reserve the right to remove or refuse to send or store content on your behalf. You may still be charged for any content which is blocked or removed.

Responsible use - How you use Age Restricted Services

6.12 If you are under 18, you are not permitted to access our Age Restricted Services . If you are 18 or over and you access the Age Restricted Services, you must not show or send content from the Age Restricted Services to anyone under 18. You must also ensure that you have deactivated any access to Age Restricted Services if you let anyone under 18 use your Device.

6.13 You accept that we cannot control access to age restricted services obtained over WiFi.

Responsible use – How you use Three Services outside the UK

6.14 If you use Three Services from a country outside the UK:

- (a) your use of the Three Services may be subject to laws and regulations that apply in that other country. 're not liable for your failure to comply with those laws or regulations.
- (b) you will be roaming on another operator's network, so the coverage may not give you the same level of signal you're used

to on Three's Network. When you go online, data speeds may be slower as well. We have no liability if you are not able to access services abroad, or if the quality of any other operator's network services differ from those provided on our Three Network.

- 6.15 You may accidentally roam if you're in an area close to national borders because your Device picks up a network signal across the border. If this is the case then you may be charged as if you were roaming on an international network.

Paying your Charges

- 6.16 Your credit or allowances contained in any Pay As You Go voucher or Add-on (as applicable) will be reduced each time you use or incur Charges for Three Services. If for any reason your account balance drops below zero, you may not be able to access Three Services and you will need to purchase and activate a Pay As You Go voucher or Add-on or otherwise make a payment to us to clear the negative balance on your account. You may only use Pay As You Go vouchers and Add-ons to obtain credit or allowances for access to Three Services. Pay As You Go vouchers, Add-ons and any credit or allowance on your account are not redeemable for cash under any circumstances.
- 6.17 Pay As You Go vouchers and Add-ons must be activated on your account during the validity period specified on the Pay As You Go voucher or with the Add-on or in the Price Guide or other relevant customer documentation.
- 6.18 Some top-ups to your account using a Pay As You Go voucher or Add-on (including any complimentary credit or allowances provided on Connection to the Three Services) will expire within a specified period from the date of activation. Any unused credit or allowances remaining at the end of the expiry period will be forfeited. If an expiry period applies it will be specified with the Pay As You Go Voucher, Add-on or in the Price Guide or other relevant customer documentation.
- 6.19 If you use your phone to buy goods and Services from third parties, you are responsible for paying any bills they may send to you.
- 6.20 We will place a charge on your account if a bank fails to honour a debit or credit card payment for your purchase of a Pay As You Go

Voucher or Add-on or other payment to your account. Your account balance may drop below zero if we apply this charge and you will need to purchase and activate a Pay As You Go Voucher to clear the negative balance on your account.

- 6.21 To protect you against fraud, we may place limits on the amount of credit that can be activated on your account using Pay As You Go Vouchers or when using a credit or debit card. We may vary these limits from time.

7 Your Rights – Complaints

- 7.1 If you are unhappy about any aspect of our Three Services, you should contact Three Customer Services.
- 7.2 We will investigate any complaint in accordance with our customer complaints code, after which we will contact you with the results. A copy of our customer complaints code can be viewed on our website at Three.co.uk/contactus or you can request a copy by contacting Three Customer Services.

- 9.1 We may Suspend any or all of the Three Services you use without notice if:
- we reasonably believe you have provided us with false or misleading details about yourself as set out in Section 13;
 - we advise you that your excessive use of Three Services (as may be defined in accordance with Section 6.8 above) is causing problems for other users, and you are continuing to use Three Services excessively;

- (c) we believe your Device or SIM has been lost, stolen or is being used in a way not permitted by this agreement;
 - (d) we reasonably believe that you have used Three Services, the SIM(s) or a Three phone number for illegal or improper purposes in contravention of our responsible use requirements in Section 6 above;
 - (e) we receive a serious complaint against you which we believe to be genuine (for example, if we receive a complaint that you are using Three Services in any of the ways prohibited in Sections 6.5, 6.9 and 6.12). If this happens, we will deal with the complaint in the manner set out in Section 7; or
 - (f) we are required to suspend your Three Services by the emergency services or other government authorities.
 - (g) we reasonably believe you have permitted your Device to be unlocked via any unauthorised manner and/or have not paid any relevant Charges due in contravention of Section 5.4;

If you do not have an Active Pay As You Go Voucher on your account, your Phone will continue to be capable of receiving incoming calls for the periods set out in the Price Guide and other customer documentation; and/or

If we do turn off your Messaging Services we will have no obligation to maintain any of the content in your Messaging Services, or to forward any unopened or unsent messages to you, or anyone else.
- 9.3 If we Suspend any or all of your Three Services, you will still be able to make emergency calls (unless they have been Suspended at the request of the emergency services).

- 9.4 If your Three Services are Suspended, we may agree to re-Connect you if you ask us to do so and there may be a re-Connection Charge for this.

- (a) In certain circumstances under our Returns Policy. You may need to get in touch with Three Customer Services to arrange Disconnection.
 - (b) By stopping your use of Three Services at any time.
 - (c) Within one month of a materially detrimental variation to your agreement. 13.2 Whenever you provide us with personal information about yourself you agree that it will be true, complete and accurate. You must tell us if this information changes.

13.3 If you provide us with information about another individual or register a Device in the name of another individual you must have their agreement to do so or be acting with legal authority.

13.4 If we reasonably believe that you have supplied us with false or inaccurate information, or if we suspect fraud, we may delay your Connection or suspend your access to Three Services until an investigation has been completed to our satisfaction.

13.5 “Your Information”

13.6 Use of “Your Information”

We may process “Your Information” for a number of purposes including:

(a) Credit Referencing, Identity Checks and Fraud Prevention

- (i) We may check and share your details with fraud prevention agencies and we will record (and pass to the fraud prevention agencies) details of any false or inaccurate information provided by you or where we suspect fraud. Records held by fraud prevention agencies will also be used by us and other organisations to help prevent fraud and money laundering, for example, when checking details on applications for credit and credit related or other facilities, managing credit and credit-related accounts or facilities, recovering debt, checking details on proposals and claims for all types of insurance and checking job applications and employees. Those fraud prevention agencies may disclose information to law enforcement agencies where requested and necessary for the investigation of crime. We and other organisations may access and use (from a country other than the UK) the information recorded by fraud prevention agencies.
- (ii) We may also use and share your details for the collection of any debts owed by you. This may include the use of debt collection agencies to collect debts on our behalf or may include the assignment of debts to a third party company. The assignment of debts will involve the sale of your debt and account information to a third party company – this information may include your name, address and contact data, year of birth, debts owed, payment history and other information necessary to help recover the debt.
