Quick Summary

Here's a quick summary of some of the key points that we'd like you to be aware of. The full terms of your agreement with Three are below - it's important that you read and understand them before you sign up to Three and start using Three Services. At the end of these Terms we've set out definitions of capitalised words used in these Terms. If there is any inconsistency between this summary, and the full terms set out below, the full terms will apply.

- A. **Your Minimum Commitment:** You agree to stay with us for the Minimum Term. The minimum price for Three Services provided under this agreement is the Monthly Charge for the Minimum Term. Each May, your Monthly Charge will increase by an amount up to the January RPI rate (published each February), unless you're on a SIM plan, in which case your Monthly Charge will remain the same.

If the January RPI rate is negative, there will be no change to your Monthly Charge in the relevant year.

We've shown an example in the following table of how this increase would work. For more information, see Section 4.1:

Monthly Price until April 2019	Monthly Price from May 2019 to April 2020	Monthly Price from May 2020 to April 2021
Price A	Price A plus an amount up to the January RPI rate for that year (= Price B)	Price B plus an amount up to the January RPI rate for that year (= Price C)
We've set out an example below, showing how this would work, if your Monthly Charge is £25 and the January 2019 RPI rate is 2% and the January 2020 RPI rate is 1%:		
£25.00	£25.00 + up to £0.50 (2% of £25.00) = £25.50	£25.50 + £0.255 (1% of £25.50) = £25.76

- B. **Changes to Prices:** we may increase Charges for our Outside of Allowance Services. If we do, we'll let you know at least one month in advance if we believe the changes are likely to be of material detriment to you and you regularly use the Outside of Allowance Services affected. You may be able to end your agreement in these circumstances. We may also change or introduce new Charges for Additional Services or Add-Ons. We'll publish any changes on our website. You won't be able to end your agreement with us in these circumstances. See Sections 4.2 - 4.4 and 10.1 below.
- C. **Our Network:** We'll try to provide you with a great quality Three Network at all times within our coverage area. However, due to the nature of mobile technology, there may be times when Three Services aren't continuously available or the quality is affected. Problems can happen if we're carrying out maintenance work, if you're outside our coverage area, or if you're in a tunnel for example. See Sections 5.11 and 5.12 below.
- D. **Breaking this Agreement:** If you don't pay your account on time or we reasonably believe that you haven't complied with certain terms of your agreement, we may suspend or disconnect Three Services, but you still must pay all outstanding Charges (including a Cancellation Fee for disconnection). See Sections 9 and 10.3 below.
- E. **Ending this Agreement:** How you can end your agreement depends on whether you're in your Minimum Term or not, and whether we've made any changes to your agreement that are likely to affect you. Please see the below table for a summary of how and when you can end your agreement.

When you wish to end your agreement	Notice Period	What to Do?	Charges Payable
During the Returns Period (please note, if you buy from a Three Retail store, you cannot return your device if you change your mind)	Your agreement will end when you notify us, or if you have a Device to return to us, when we receive that Device in accordance with the Returns Policy (whichever is later)	Contact Three Customer Services	Charges for Three Services used. Charges for damage or for any loss of value to the goods, as a result of nonessential use, in accordance with the Returns Policy.
During your Minimum Term (but outside of any Returns Period)	30 days	Contact Three Customer Services	All outstanding Charges payable plus your Cancellation Fee.
Outside of your Minimum Term/if you have no Minimum Term	30 days	Contact Three Customer Services	All outstanding Charges payable
We make a change that, in our reasonable opinion, is likely to be of material detriment to you	Your agreement will end, on your request, before the notified change comes into effect.	Contact Three Customer Services	All outstanding Charges payable

The Cancellation Fee will be the total of the Monthly Charges remaining during the Minimum Term of your agreement less a variable discount, currently 20%. We reserve the right to vary the amount of the percentage discount from time to time.

- F. **Your Information:** You agree that we can process your information which we collect and / or which you give to us during any sales or registration process, for a number of purposes, including, but not limited to, opening and managing an account for Three Services, to deliver products and services ordered by you, for credit checking and fraud prevention, and for product analysis and direct marketing (subject to your preferences). See Section 13 below.

Your Pay Monthly Terms in full

1. Who's who and what's what

1.1 When we say:

- (a) 'we', 'us' or 'our', we mean Hutchison 3G UK Limited, trading as 'Three', (company number 03885486), with its registered address at Star House, 20 Grenfell Road, Maidenhead, Berkshire, SL6 1EH;
- (b) 'you' or 'your', we mean you, our customer whose name appears on the Welcome Letter;
- (c) 'agreement', we mean your agreement with us for the supply of Three Services. Section 2.1 explains what terms make up your agreement.

1.2 We've set out at the end of these Terms definitions of the capitalised words we use in these Terms.

2. About your agreement

2.1 Your agreement is made up of these Terms and your Package (as set out in our Price Guide), along with any other terms laid down in additional Three Services. Additional terms may apply to any promotional or special offers.

2.2 Your agreement is personal to you. Unless we give you permission, you can't pass your rights or responsibilities to anyone else - even if we give you more than one SIM or you give your Device to others. It's your responsibility to make sure the SIMs are only used to access Three Services as allowed under this agreement.

2.3 This agreement doesn't cover:

- (a) any products or services you buy while using Three Services; or
- (b) the supply of your Device.

3. When your agreement starts

3.1 Your agreement for the provision of Three Services, starts when we Connect you to Three. By inserting your SIM you're expressly requesting that we provide you with the Three Services. For existing customers who have upgraded with us by signing up to a new agreement for a new Minimum Term, your new agreement will start on the day we accept your new request for Three Services, unless we agree an alternative date with you.

3.2 If you signed up to your new agreement through **Three.co.uk** or **Three Telesales** or **Three Customer Services** you may cancel your agreement within the Returns Period. If you use Three Services before you cancel you will be charged for them. Please remember that it can take up to 3 months for some international and Premium Services to be applied to your bill. Please see our Returns Policy at **Three.co.uk/Returns** for more information.

3.3 If your Package has a Minimum Term, you agree to remain Connected to Three for that Minimum Term. You have limited rights to end the agreement during the Minimum Term as set out in Section 10. If your Package doesn't have a Minimum Term, or your Minimum Term has ended, we'll supply you with Three Services until either of us chooses to end the agreement in any of the ways set out in Section 10.

4. **Changes to your agreement or prices**

4.1 Your Monthly Charge will be subject to an annual increase by an amount up to the RPI Rate. The annual increase will first appear on your May bill. We will publish the RPI Rate on our website as soon as it's available. If the RPI Rate is negative, there will be no change to your Monthly Charge. This section 4.1 does not apply to SIM Plan customers.

4.2 We may change any of the terms of your agreement, including our Packages or prices, on the following basis:

(a) we'll let you know at least one month in advance if we decide to:

- (i) discontinue your Package; or
- (ii) make any changes to your agreement which are (in our reasonable opinion) likely to be of material detriment to you. You can end the agreement for such changes as explained in Section 10;

(b) we may need to change or introduce new Charges in respect of our Outside of Allowance Services. If we do, we'll let you know at least one month in advance unless we believe such changes are not (in our reasonable opinion) likely to be of material detriment to you and you don't (in our reasonable opinion) regularly use the Outside of Allowance Services affected;

(c) we may change or introduce new Charges in respect of Additional Services or Add-Ons. We'll publish any changes on our website. If any Add-ons affected have a recurring Charge, we'll let you know at least fourteen (14) days before the Charge changes.

4.3 You won't be able to end your agreement if any change or increase:

(a) is due to changes to the law, regulation or licence which affect us - this includes any increase or change in the rate of VAT or other applicable taxes or any new taxes that are introduced; or

(b) relates solely to:

- (i) Additional Services; or
- (ii) Add-on(s) (if applicable to you).

In these circumstances you won't be able to end your agreement but you will be able to cancel the Add-on(s) or stop using the Additional Services; or

(iii) is an RPI Change.

4.4 If you carry on using Three Services after any change takes effect, you will be considered to have accepted the change, and won't be able to then end the agreement.

5. **What we'll provide to you**

A Three Phone number and SIM

5.1 We'll open an account for you and provide you with a SIM and a Three phone number.

5.2 We own each SIM and each SIM remains our property at all times. You're being allowed to use the SIM by us on a limited licence to allow you to access Three Services.

5.3 Each SIM can only be used in Devices which are authorised by us for Connection to the Three Network. If you try to use the SIM in another device, it may damage the device and affect your usage (including making emergency calls). In these instances, we're not responsible for any such damage or usage problems.

5.4 Devices which can be used to access Three Services may be locked to our network. The software in the Device and all intellectual property rights in that software are owned by the Device manufacturer and you're being allowed to use the software on a limited licence from the manufacturer. If you want your Device to be unlocked from the Three Network, you can contact us and we can help to arrange for your Device to be unlocked in an authorised manner (which may include replacing your Device with an unlocked Device, which is the same or similar specification to your Device). Prior to your Device being unlocked, you must ensure that you back-up or otherwise store separately any of your information or other data on the Device which you may require, as this may be lost during the Device unlocking process. We are not responsible for any information or any other data which may be lost during the Device unlocking process.

5.5 You can move your existing phone number to Three. First, you need to ask your previous mobile network operator for your PAC, and then you will need to give your PAC to us. Once we've checked the details of your request, we'll tell you the date when your phone number will be moved to Three. If the move is delayed and the delay is our fault, you may be entitled to compensation in the form of a one-off reimbursement of a portion of your Charges.

5.6 You can move your Three phone number to another mobile network operator. First, you need to ask us for your PAC. Once we've checked the details of your request, we'll give you your PAC which must be used within the time specified. Your Three Services will be discontinued once your number has been successfully transferred. If you move your Three phone number to another mobile network operator within your Minimum Term (if you have one), you must pay us all the Charges you owe, plus any Cancellation Fee for your Package.

Three Services

5.7 Once you're Connected to Three we'll provide you with access to Three Services.

5.8 You may also be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on Three Services.

5.9 We:

(a) may change or withdraw some, or part, of Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or change content. Depending on the changes that we make, you may have a right to end this agreement, as explained in Sections 4.2 - 4.4 and 10.1.

(b) may also determine how Three Services are presented and delivered to the Device or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;

- (c) will deploy traffic management measures, known collectively as TrafficSense™, across the Three Network to ensure an enjoyable internet experience for the vast majority of our customers. For details see [Three.co.uk/trafficsense](https://www.three.co.uk/trafficsense).

5.10 Access to the Emergency Services

- (a) You can make free calls to emergency services from your Phone in the UK by calling **999** or **112**. When you're outside of Three's coverage area in the UK, your Phone will try to locate another mobile network so that you can try to contact the emergency services (however, neither your mobile phone number nor your Location Data will be transmitted to the emergency services in these circumstances). If you need to contact the emergency services while you're roaming abroad, you will need to call **112** (this number is recognised by most mobile operators worldwide) or the local emergency services number if different (however, neither your phone number nor your Location Data will be transmitted to the emergency services in these circumstances). Emergency service calls can't be made using Skype (or certain other voice over IP services) on your Phone. If you want to call the emergency services, you will need to make a normal voice call from your Phone.
- (b) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your location to **999** or **112**. The text will be converted and passed to the appropriate emergency service but you will need to register your Phone before you can use this service. Details on how to do this are available at www.emergencysms.org.uk
- (c) If you have a Device, other than a phone, such as a Tablet, which is capable of making telephone calls, you may be able to use this to make free calls to emergency services in the UK by calling **999** or **112**, however your Location Data may not be transmitted to the emergency services in these circumstances.
- (d) If you have a Device that operates on Android operating system 2.3 and above, on calling **999** or **112** while in the UK and connected via the Three Network, your Location Data may be automatically transmitted to the emergency services to help them locate you in an emergency.

5.11 Coverage and network speeds

- 5.11.1 We'll always try to make Three Services available to you. However, there may be areas where you don't have access to all Three Services or where coverage is otherwise limited or unavailable or network speeds are slower than expected. For more information about coverage see [Three.co.uk/coverage](https://www.three.co.uk/coverage)
- 5.11.2 The data speeds that you'll experience on our network will vary due to a number of factors including your distance from the nearest mast, your location in a building, local geography, congestion and the type of equipment that you're using - for example, you'll only be able to enjoy 4G speeds if you're in a 4G coverage area and using a 4G device.

5.12 Disruption to Three Services

- 5.12.1 Due to the nature of mobile technology, there may be situations when Three Services aren't always available, or the quality or network speeds are affected and so we cannot guarantee continuous fault-free service. For example:
- (a) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services;
- (b) when you move outside Three's 3G or 4G service area while you're on a call (in

- this case calls may end) or using data (in this case, your connection may be lost);
- (c) when you're in areas not covered by the Three Network. In this case, Three Services relies on other operators' networks, over which we have no control; and
- (d) because of factors outside our control, such as the features or functionality of your Device, legal or regulatory requirements, lack of capacity, interruptions to Three Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

- 5.12.2 In the event that you experience continuous or regularly recurring disruption to Three Services (such as where your access to Three Services is limited or unavailable) you may be entitled to a price reduction based upon the period of the disruption. This may take the form of a partial or full credit or a refund of your Monthly Charge. To receive a credit or refund you'll need to report to us a disruption on the Three Network in order that we may investigate your concerns, consider the extent to which you use the Three Services in question and measure the disruption against your typical usage history. An alternative means of accessing the disrupted Three Service (for example, using Three InTouch Wi-Fi Calling or Home Signal) must also be unavailable to you. This is without prejudice to any remedies which may be available to you under consumer law (as explained more fully at Section 12.3) or general contract law, including damages or early termination of this agreement (where the disruption to Three Services is very serious). Please contact us as set out in Section 7 (Your Rights - Complaints) and we'll work with you to find an appropriate resolution for your particular circumstances.

6 What you'll do in return - Personal Security

- 6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep it safe and secure whilst it's in your possession and you must ensure that you're able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Price Guide).
- 6.2 You must keep all PINs and passwords secure and confidential. You're also responsible for the security of your Device and must make sure that you keep it secure (see the Device manufacturer's user guide for details of how to keep your Device secure). You must also keep any PINs or passwords for any services you access through your Device secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services on your account without your permission.

Responsible use - How you use the Three Services

- 6.4 You may only use Three Services:
- (a) as set out in this agreement; and
- (b) for your own personal use. This means you must not resell or commercially exploit any of Three Services or our content.
- 6.5 You mustn't use Three Services, the SIM or Three phone number or allow anyone else to use Three Services, the SIM or Three phone number for illegal or improper uses. For example:
- (a) for fraudulent, criminal or other illegal activity;
- (b) in any way which breaches another person's rights
- (c) including copyright or other intellectual property rights;
- (d) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission;

- (e) to download, send or upload content of an excessive size, quantity or frequency. We'll contact you if your use is excessive;
 - (f) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services; or
 - (g) to use or provide to others any directory or details about Three customers.
- 6.6 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Device and any instructions regarding the use of your plan, as set out in your Price Guide (available at www.Three.co.uk/priceguide).
- 6.7 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services, you will, notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.
- 6.8 We may publish an acceptable use policy which provides more details about the rules for use of certain Three Services:
- (a) to ensure that use of Three Services either in the UK or in our Go Roam destinations is not excessive;
 - (b) to combat fraud; and
 - (c) where Three Services we offer or may introduce require certain rules to ensure they can be enjoyed by all our customers.
- 6.8.1 Any such policy will be available on our website and may be changed from time to time.

Responsible use - How you use the Messaging and Storage Services

- 6.9 While using the Messaging Services, you must not send or upload:
- (a) anything that is copyright protected, unless you have permission;
 - (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
 - (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.
- 6.10 We may put limits on the use of certain Three Services, such as Messaging Services or Storage Services. For example, we may limit the size of messages or storage space.
- 6.11 While we have no obligation to monitor the Messaging Services or Storage Services, if you exceed our published use limits, or we're made aware of any issues with your use of these Three Services (for example, if we're made aware that you're using Three Services in any of the ways prohibited in Section 6.8 above) we reserve the right to remove or refuse to send or store content on your behalf. You may still be charged for any content which is blocked or removed.

Responsible use - How you use the Age Restricted Services

- 6.12 If you're under 18, you're not allowed to access our Age Restricted Services. If you're 18 or over and you access the Age Restricted Services, you mustn't show or send content from the Age Restricted Services to anyone under 18. You must also ensure that you've deactivated any access to Age Restricted Services

if you let anyone under 18 use your Device.

- 6.13 You accept that we cannot control access to age restricted services obtained over WiFi.

Responsible use - How you use the Three Services outside the UK

- 6.14 If you use Three Services from a country outside the UK:
- (a) your use of Three Services may be subject to laws and regulations that apply in that other country, and we're not responsible for your failure to comply with those laws or regulations;
 - (b) you will be roaming on another operator's network so:
 - i) you may not receive the same level of coverage and speed as you're used to on the Three network. We have no liability if you're unable to access services abroad, or if the quality of any other operator's network services differs from those provided on the Three network and;
 - ii) we accept no responsibility for information processing when it leaves our control.
- 6.15 If you use Three Services in our Go Roam in Europe destinations:
- (a) Your data use may be subject to a Fair Use Policy, as published in your Price Guide, and which may be amended from time to time. Any use in excess of this policy, but within any available data allowance will be subject to a regulated surcharge (see www.Three.co.uk/priceguide for details);
 - (b) We reserve the right to apply a surcharge in case of abusive use. In order to help us to detect possible abuse of Go Roam in Europe, we may monitor your usage and presence. We'll look at the balance of your roaming and domestic (UK) activity over 4 months: if this shows that you spend the majority of your time abroad, and consume more abroad than at home, over the 4 months, we have the right to add a small surcharge to your continued usage. This surcharge is set at a regulated rate, as published in your Price Guide. Before this surcharge is applied, we'll send you a message two weeks in advance, giving you an opportunity to modify your roaming behaviour to avoid being charged this surcharge.
- 6.16 If you use Three Services in our Go Roam Around the World destinations:
- (a) Some limits apply - these are set out in your Price Guide (see www.Three.co.uk/Priceguide for details). If you exceed the monthly data allowance set out in your Price Guide, your data usage may be blocked in our Go Roam Around the World destinations until your next billing period. If you exceed any of these allowances for any 2 months within a rolling 12 month period we have the right to suspend international roaming on your account, meaning you will no longer be able to use your device or allowance abroad.

- 6.17 You may accidentally roam if you're in an area close to national borders because your Device picks up a network signal across the border. If this is the case then you may be charged as if you were roaming on an international network.

Paying your Bills

- 6.18 You must pay us all Charges in connection with all Three Services which are accessed using the SIM we supply you. You must pay the Monthly Charge, whether

or not your allowance of voice Units, text Units and/or data Units are consumed by you or by another person, with or without your permission. You must also pay for all Three Services which don't involve a conversion of voice Units, text Units and/or data Units within your allowance and which are accessed using the SIM we supply you or which are accessed using your Device, whether the Three Services are accessed by you or by another person, with or without your permission. If your SIM and/or Device is lost or stolen you remain responsible for all the Charges to your account until you tell us what happened and arrange for your SIM and/or Device to be deactivated.

- 6.19 We'll send you a bill on a periodic basis and this will usually be done monthly. However, we may change this period, and we would give you at least 14 days' notice of this.
- 6.20 Your bill will normally include your Monthly Charge for your Package for the next billing period and any administration fees along with Charges for your use of the Three Services in the UK in the last period and outside the UK in prior periods (if not within your allowance). If your Package includes an allowance, this will be made up of voice Units, text Units and/or data Units which are convertible into a certain number of voice minutes or text messages, and/or a certain amount of data each month. On your bill, we'll include the "per unit" cost for your allowance to help you understand the value you're getting from your Package. If you haven't used all of that monthly allowance by the time we bill you, it will expire and your monthly allowance will then start again on each monthly bill date (which you will see on your bill).
- 6.21 Charges on your bill are shown inclusive of VAT (where appropriate), unless you're a business customer, in which case, VAT will be added to your bill where appropriate.
- 6.22 You must make your payment by the due date and by one of the payment methods stated on your bill. If you choose to pay by a Recurring Payment Method, you will benefit from a monthly discount (as set out in our Price Guide. See also Section 6.24). However, we may also submit an interim bill or require an immediate payment if we think you have exceeded a reasonable limit on your account. Your bill will state the amount of the Charges due from you and the due date by which you must make payment. If you fail to pay your account on time, you will be breaking your agreement and we may Suspend or Disconnect you. In this case, you will have to pay any outstanding Charges. We may set a credit limit on your account. If you exceed the credit limit we set, we may Suspend any or all of the Three Services you use until you've made a payment to your account. You shouldn't use the credit limit for budgeting as the amount you owe isn't capped or limited by any credit limit we set.
- 6.23 We may need to take legal or other collection action against you for non- payment of Charges. This could mean you have to pay our reasonable costs and expenses, or the reasonable costs and expenses of our assignees, including legal and administration costs. Interest may be added on a daily basis to any unpaid Charges and costs, at 2% per annum above the base rate of HSBC Bank plc, from the date payment is due until it is received.
- 6.24 As a condition of signing up to Three Services, we require you to set up a direct debit to pay your Charges and you will benefit from a discount to your Monthly Charge if you pay by this efficient means. In order to maintain this discount, you must continue to have a valid direct debit or other Recurring Payment Method in place. If you don't have a Recurring Payment Method in place, and pay us by other means, you won't benefit from the discount. Please see the Price Guide for further details of the discount amount and Recurring Payment Methods we accept.

7 Your Rights - Complaints

- 7.1 If you're unhappy about any aspect of Three Services, you should contact Three Customer Services.
- 7.2 We'll investigate any complaint in accordance with our customer complaints code, after which we'll contact you with the results. A copy of our customer complaints code can be viewed on our website at [Three.co.uk/complaints](https://three.co.uk/complaints) or you can request a copy by contacting Three Customer Services. If we are unable to resolve your complaint, you may, depending on the nature of your complaint, be entitled to ask Ombudsman Services: Communications to consider your complaint for you. Their website address is: <https://www.ombudsman-services.org>. Alternatively, if your complaint is about a purchase you made online and we have been unable to resolve your concerns through our complaints process, you can submit your complaint through the European Commission's online dispute resolution platform which can be found at the following website address: <http://ec.europa.eu/consumers/odr/>.
- 7.3 See Section 13 for information about data protection and privacy complaints.

8 Our Rights - Intellectual Property

- 8.1 All rights in Three Services and their content, belong to us, or our licensed source, such as a content provider. We reserve all our rights.
- 8.2 The 'Three' trademark and other related images, logos and names are proprietary marks of our group of companies. We reserve all our rights.

9 Suspension of Three Services

- 9.1 We may Suspend any or all of the Three Services you use without notice if:
- (a) we reasonably believe you've provided us with false or misleading details about yourself as set out in Section 13;
 - (b) we advise you that your excessive use of Three Services (as may be defined in accordance with Section 6.7 above) is causing problems for other users, and you're continuing to use Three Services excessively;
 - (c) we believe your Device or SIM has been lost, stolen or is being used in a way not allowed by this agreement;
 - (d) we reasonably believe that you've used Three Services, the SIM(s) or a Three phone number for illegal or improper purposes in contravention of our responsible use requirements in Section 6 above;
 - (e) we receive a serious complaint against you which we believe to be genuine (for example, if we receive a complaint that you're using Three Services in any of the ways prohibited in Section 6); or
 - (f) we're required to Suspend your Three Services by the emergency services or other government authorities.
- 9.2 In addition to the circumstances set out in Section 9.1, we may also Suspend any or all of the Three Services you use without notice if:
- (a) you haven't paid our Charges on time, or if you've previously failed to pay your Charges on time; or
 - (b) you've exceeded any credit limit that we may have set for you (as set out in Section 6.20 above); or
 - (c) you have insufficient credit in your account to cover Charges you agreed to pay in advance.

Additionally, we reserve the right to Suspend any other account(s) you have with us, if we reasonably believe that you will be unable to pay the relevant Charges.

- 9.3 We may end any calls that you make that are longer than 2 hours' duration in order to prevent you from incurring excessive, inadvertent costs.
- 9.4 We may turn off your Messaging Services if they're inactive for an extended period of time - we'll let you know before this happens. Your Information received from other sources

Use of Your Information.

13.12 Your Information may be used by us, our employees, service providers and disclosed to third parties for the purposes set out below. For each of these purposes, we have set out the legal basis on which we use Your Information.

(a) Credit Referencing, Identity Checks and Fraud Prevention

- (i) In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies ("CRAs") such as Call Credit, Experian and Equifax. To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information. We will use this information to:

- Assess your creditworthiness and whether you can afford to take the product;
- Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s);
- Trace and recover debts; and
- Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs. When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

The identities of the CRAs, their role also as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail in the Credit Reference Agency Information Notice ("CRAIN"). CRAIN is also accessible from each of the three CRAs – clicking on any of these three links will also take you to the same CRAIN document: Callcredit www.callcredit.co.uk/crain; Equifax www.equifax.co.uk/crain; Experian www.experian.co.uk/crain.

We'll use a combination of credit scoring and/or automated decision making systems when assessing your application.

The legal basis that we rely on to process Your Information for the above purpose is for performance of a contract between you and us or in order for us to take steps prior to entering into a contract with you or our legitimate business interests in order for us to manage our relationship with you.

- (ii) We'll also disclose details of your agreement with us, the payments you make under it, account balances and information about any default, dispute, and debts to CRAs. We'll also disclose details of any change of address reported to us or which we become aware of.
