Network Terms Summary

Here's a quick summary of some of the key points that we'd like you to be aware of. The full Network Terms are below - it's important that you read and understand them before you start using Your Plan. At the end of these Network Terms we've set out definitions of capitalised words used in these Network Terms. If there is any inconsistency between this summary, and the full Network Terms set out below, the full Network Terms will apply.

Your Minimum Commitment: You agree to stay with us for the Minimum Term. The minimum price for Your Plan is the Monthly Charge for the Minimum Term.

Annual Price Increase: Each April, your Monthly Charge will increase by the December CPI Rate plus 3.9%. We've shown an example in the following table of how this increase will work. For more information, see Section 4.1.

Monthly Price until March 2023	Monthly Price from April 2023 to March 2024	Monthly Price from April 2024 to March 2025
Price A	Price A plus December 2022 CPI +3.9% (= Price B)	Price B plus December 2023 CPI +3.9% (= Price C)
We've set out an example below, showing how this would work, if your Monthly Charge is £30 and CPI is 10.5% in December 2022 and 5% December 2023.		
£30.00	£30.00 + £4.32 (14.4% of £30.00) = £34.32	£34.32 + £3.05 (8.9% of £34.32) = £37.38

Other Changes: If we make any changes to this Agreement, Charges, Your Plan, Three Services or Third Party Extras and those changes give you a right to terminate this Agreement we will notify you at least 30 days in advance of such changes being made. We may also make certain changes (for example in relation to Add-ons which you do not use) that will not give you a right to terminate this Agreement and those changes will be published on our website. For further information regarding your right to terminate this Agreement when we make changes see Section 4.4 and 10 below.

Our Network: We'll try to provide you with a great quality Three Network at all times within our coverage area. However, due to the nature of mobile technology, there may be times when Three Services aren't continuously available, or the quality is affected. Problems can happen if we're carrying out maintenance work, if you're outside our coverage area, or if you're in a tunnel for example. Throughout 2023 and 2024, we will be making changes to and upgrading the Three Network. Following some of these changes, you will need

a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices, and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. See Section 5 below.

Breaking this Agreement: If you don't pay your account on time or we reasonably believe that you haven't complied with certain terms of this Agreement, we may suspend or disconnect the Three Services and/or Third Party Extras you receive, but you still must pay all outstanding Charges (including a Cancellation Fee for disconnection). See Sections 9 and 10.3 below.

Ending this Agreement: How you can end this Agreement depends on whether you're in your Minimum Term or not, and whether we've made any changes to this Agreement that are likely to impact the Three Services and or Third Party Extras you receive. Please see the below Table 1 for a summary of how and when you can end this Agreement. Where applicable, the Cancellation Fee will be the total of the Monthly Charges remaining during the Minimum Term of this Agreement less a variable discount, currently 3%.

Your Information: You agree that we can process your information which we collect and / or which you give to us during any sales or registration process, for a number of purposes, including, but not limited to, opening and managing an account for Three Services and Third Party Extras, to deliver products and services ordered by you, for credit checking and fraud prevention, and for product analysis and direct marketing (subject to your preferences). For more information on how we collect, share and use your data see Section 13 below and our Privacy Policy at https://www.three.co.uk/your_privacy.

Device Plan: This Agreement is separate from your Device Plan. If this Agreement is terminated you will still be required to continue to comply with your obligations under the Device Plan.

4 Changes to this Agreement or prices

Changes we can make

4.1 Your Monthly Charge will be subject to an annual increase of the December CPI Rate plus 3.9%. The annual increase will first appear on your April bill. An example of how this may impact you is set out in the Network Terms Summary above.

4.2 In addition to the annual price increase as set out under Section 4.1 above we may at any time make changes to the Three Services, Third Party Extras and/or any of the terms of this Agreement, including our Plans or Charges. Such changes may include (but are not limited to):

- (a) discontinuing or amending Your Plan or the Three Services;
- (b) changing or introducing new Charges in respect of our Additional Services, Outside of Allowance Services or Plan Extras;
- (c) making changes that are permitted or required to comply with law or regulation, a code of practice, regulator or a court of competent jurisdiction;

- (e) amending these Network Terms to include additional information or to clarify their meaning;
- (f) (f) no more than once per month, making changes as a result of any changes to services or increases in

charges imposed on us by third parties e.g. changes to roaming costs or international call costs or premium rate service charges where such changes are related to the costs/price increases charged to us by wholesale partners or providers;

- (g) making changes that are, in our reasonable determination, required to maintain or improve the quality or security of the Three Services;
- (h) making changes that are required due to changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or change content; and/or
- (i) making changes to the way the Three Services and/or Third Party Extras are presented and delivered to the Device or are otherwise made available to you.

Changes which give you a right to terminate this Agreement

4.3 Other than in respect of those changes detailed in Sections 4.8 and 4.9 where any proposed changes to this Agreement, including our Plans, Three Services, Third Party Extras or Charges impact Your Plan and the Three Services or Third Party Extras which you use and are not:

- (a) exclusively for your benefit;
- (b) of a purely administrative nature and have no negative effect on you; or
- (c) due to a change in law or regulation e.g. changes to VAT;

we will notify you of such proposed changes at least 30 days in advance of the proposed changes taking place.

4.4 Subject to Sections 4.5, 4.6 and 4.8, where we have provided you with notice under Section 4.3 above and this notice informs you that you have a right to terminate, you can, following receipt of any such notice and if such proposed changes are not acceptable to you, terminate this Agreement by giving notice to Three Customer

Services or choose to switch providers within that 30 day notice period.

- 4.5 Where we notify you in accordance with Section 4.3 about a change which relates only to an Add-on which has no minimum term or has a minimum term or notice period of 30 days or less, you may only terminate the Add-on to which the change relates and not this Agreement.
- 4.6 If you carry on using Your Plan, the Three Services and/or Third Party Extras after the 30 day notice period provided in accordance with Section 4.3, you will be deemed to have accepted the change, and will not be able to subsequently terminate this Agreement under the terms of the notice i.e. with no Cancellation Fee.
- 4.7 If you terminate this Agreement in accordance with Section 4.4 during the 30 day notice period provided by Three, no Cancellation Fee will be applicable to such termination by you. If you terminate this Agreement for any other reason during the Minimum Term, a Cancellation Fee may be payable (as detailed in Section 11.2).

Permissible Changes

- 4.8 You shall not have a right to terminate this Agreement under Section 4.4 in respect of changes we make:
 - (a) to your Monthly Charge in accordance with Section 4.1;
 - (b) in connection with Add-ons which you have not opted to receive;

- (i) in connection with Three Services or Third Party Extras that are often subject to change due to their nature. For example as set out under Section 5.11(a),

and you shall be notified of such changes in accordance with Section 4.11.

- 4.9 Where a third party makes changes in connection with a Third Party Extra, we will have no obligation to notify you of such change and you shall have no right to terminate this Agreement as a result without paying the Cancellation Fee.

How we will notify you about changes

- 4.10 If we make a change that will give you a right to terminate this Agreement or an Add-on without payment of a Cancellation Fee in accordance with this Section 4 we will provide you with notice at least 30 days in advance of such changes taking place.
- 4.11 If we make a change will not give you a right to terminate this Agreement or an Add-on without payment of a Cancellation Fee we will publish such changes on our website and may provide notice by any other means as we consider appropriate.

5 What we'll provide to you

A Three Phone number and SIM or eSIM Profile

- 5.1 We'll open an account for you and provide you with a SIM or eSIM Profile and a Three phone number.

- 5.2 We own each SIM and eSIM Profile, which remain our property at all times. You're being allowed to use the SIM or eSIM Profile by us on a limited licence to allow you to access Three Services.

- 5.3 Each SIM or eSIM Profile can only be used in Devices which are authorised by us for Connection to the Three Network. If you try to use the SIM in another device, it may damage the device and affect your usage (including making emergency calls). In these instances, we're not responsible for any such damage or usage problems.

- 5.4 You can move your existing phone number to Three. First, you need to ask your previous mobile network operator for your PAC, and then you will need to give your PAC to us. Once we've checked the details of your request, we'll confirm the date when your phone number will be moved to Three. If the move is delayed and the delay is our fault, you will receive compensation on your Three account within 30 days. For anything else just get in touch at <https://www.three.co.uk/support/contact-us>. Guidance on our switching process is available on our support pages: [three.co.uk/support/switching](https://www.three.co.uk/support/switching).

- 5.5 You can move your Three phone number to another mobile network operator. First, you need to ask us for your PAC. Once we've checked the details of your request, we'll give you your PAC which must be used within the time specified. Your Three Services and Third Party Extras will be discontinued once your number has been successfully transferred. If you move your Three phone number to another mobile network operator within your Minimum Term (if you have one), you must pay us all the Charges you owe, plus any Cancellation Fee for Your Plan. Guidance on our switching process is available on our support pages: [three.co.uk/support/switching](https://www.three.co.uk/support/switching).

Three Services

- 5.6 Once you're Connected to Three and Your Plan has started (as set out under Sections 3.3 to 3.6) we'll provide you with access to Three Services and Third Party Extras.

- 5.7 You may also be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, (including cache) and transmit any content you upload.

5.8 We:

- (a) may change or withdraw some, or part, of Three Services and/or Third Party Extras from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or change content. Depending on the changes that we make, you may have a right to end this agreement, as explained in Section 4;
- (b) may also determine how Three Services and/or Third Party Extras are presented and delivered to the Device or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;
- (c) may deploy traffic management measures, known collectively as TrafficSense™, across the Three Network to protect the network and to ensure an enjoyable internet experience for the vast majority of our customers. For details see Three.co.uk/trafficsense. We reserve the right to review and amend any such measures from time to time.

5.9 Smartwatch Pairing

- (a) These Network Terms also apply to any Smartwatch Pairing Plans which you have entered into with Three or have added as an Additional Service. Smartwatches can only be paired with compatible Phones which are listed on the manufacturer's website. The Smartwatch Pairing Plan does not include any calls, texts or data so your Secondary Device must be paired with your Primary Service to enable the Secondary Device to share the allowances included in Your Plan. Using your Secondary Device will deplete the allowances in Your Plan. If you exhaust the allowances included in Your Plan, you will be charged for any Outside of Allowance Services you use at the rates set out in the Price Guide. You need to have an active Primary Service for the

duration of the Smartwatch Pairing Plan to be able to share allowances with your Secondary Device. If you cancel your Primary Service you will not be able to use data or make or receive calls or texts on your Secondary Device unless you pair your Secondary Device with a different Three Primary Service. You will need to be in a 3G or 4G coverage area to be able to use Smartwatch Pairing to connect to the internet from your Smartwatch. You cannot use the Smartwatch Pairing Plan to share the allowances from Your Plan in destinations outside the UK, although you can still use the functionality of your Smartwatch over Bluetooth or WIFI.

5.10 Access to the Emergency Services

- (a) You can make free calls to emergency services from your Phone in the UK by calling 999 or 112. When you're outside of Three's coverage area in the UK, your Phone will try to locate another mobile network so that you can try to contact the emergency services (however, neither your mobile phone number nor your Location Data will be transmitted to the emergency services in these circumstances). If you need to contact the emergency services while you're roaming abroad, you will need to call 112 (this number is

recognised by most mobile operators worldwide) or the local emergency services number if different (however, neither your phone number nor your Location Data will be transmitted to the emergency services in these circumstances). Emergency service calls can't be made using Skype (or certain other voice over IP services) on your Phone. If you want to call the emergency services, you will need to make a normal voice call from your Phone.

- (b) If you want to call the emergency services with our WiFi Calling service, please note that your call may be interrupted or end if you have a power cut or your internet connection fails. If you are having problems connecting with WiFi you may wish to use a mobile or fixed network connection (instead of WiFi) and/or

register (and keep us up to date) on the address where you plan to use our WiFi calling services (so we have your latest location information to hand for emergency organisations in case of an emergency). You may also be asked to confirm or provide your location when making an emergency call (to help emergency organisations identify the services you need). Please also note that emergency service calls can't be made using Skype on your Phone. For instructions on how to make emergency calls from your Smartwatch when using Smartwatch Pairing, please see the manufacturer's instructions for your Smartwatch.

- (c) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your location to 999 or 112. The text will be converted and passed to the appropriate emergency service but you will need to register your Phone before you can use this service. Details on how to do this are available at www.emergencysms.org.uk
- (d) If you have a Device, other than a phone, such as a Tablet, which is capable of making telephone calls, you may be able to use this to make free calls to emergency services in the UK by calling 999 or 112, however your Location Data may not be transmitted to the emergency services in these circumstances.
- (e) If you have a Device that operates on Android operating system 2.3 and above, on calling 999 or 112 while in the UK and connected via the Three Network, your Location Data may be automatically transmitted to the emergency services to help them locate you in an emergency.

5.11 Coverage and network speeds

- (a) We'll always try to make Three Services available to you. However, there may be areas where you don't have access to all Three Services or where coverage is otherwise limited or unavailable or network speeds

are slower than expected. Throughout 2023 and 2024, we will be making changes to and upgrading the Three Network. Following some of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices, and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. For more information about coverage see Three.co.uk/coverage.

- (b) The data speeds that you'll experience on our network will vary due to a number of factors including your distance from the nearest mast, your location in a building, local geography, congestion and the type of equipment that you're using- for example, you'll only be able to enjoy 4G speeds if you're in a 4G coverage area and using a 4G device.

5.12 Broadband speeds

- (a) Our advertised and estimated maximum upload and download speeds for our broadband internet services, provided as part of the Three Services, are set out in our estimated broadband speeds table, available at: www.three.co.uk/broadband-speeds
- (b) We do not guarantee that our broadband service will achieve any specific speeds. The speeds achieved by our broadband service will depend on factors such as your geographic location, the type of walls and windows in your building, the number of people using the network, the external environment, and the correct setup of your hub.
- (c) We may implement measures to manage the traffic across our network in exceptional circumstances to prevent impending network congestion and/or mitigate the effects of any exceptional or temporary network congestion. We may also implement traffic management measures in order to meet our legal obligations, preserve the integrity and security of our

networks, services, or terminal equipment, or to provide you with any particular services you have requested. For more information on traffic management on our network, please visit:

http://support.three.co.uk/mobiledocs/Support/Signal_and_coverage/our_network/TrafficSense_facts_document.pdf

- (d) The variability of the download and upload speeds achieved, and the technology used to access the broadband services, may affect your experience of our services and your ability to access and distribute information and content, and use and provide applications and services.
- (e) In the event that you experience continuous or regularly recurring disruption to the broadband services you may be entitled to a price reduction based upon the period of the disruption, in accordance with Section 5.13(b).

5.13 Disruption to Three Services

- (a) Due to the nature of mobile technology, there may be situations when Three Services aren't always available, or the quality or network speeds are affected and so we cannot guarantee continuous fault-free service. For example:
 - (i) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services;
 - (ii) when you move outside Three's 3G or 4G service area while you're on a call (in this case calls may end) or using data (in this case, your connection may be lost);
 - (iii) when you're in areas not covered by the Three Network. In this case, Three Services relies on

other operators' networks, over which we have no control; and/or

- (iv) because of factors outside our control, such as the features or functionality of your Device, legal or regulatory requirements, lack of capacity, interruptions to Three Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

- (b) In the event that you experience continuous or regularly recurring disruption to Three Services (such as where your access to Three Services is limited or unavailable) you may be entitled to a price reduction based upon the period of the disruption. This may take the form of a partial or full credit or a refund of your Monthly Charge. To receive a credit or refund you'll need to report to us a disruption on the Three Network in order that we may investigate your concerns, consider the extent to which you use the Three Services in question and measure the disruption against your typical usage history. An alternative means of accessing the disrupted Three Service (for example, using Wi-Fi Calling) must also be unavailable to you. This is without prejudice to any remedies which may be available to you under consumer law (as explained more fully at Section 12.3) or general contract law, including damages or early termination of this Agreement (where the disruption to Three Services is very serious). Please contact us as set out in Section 7 (Your Rights - Complaints) and we'll work with you to find an appropriate resolution for your particular circumstances.

5.14 Goodwill gesture or credit

Unless otherwise stated to you in writing, if we apply a monetary goodwill gesture or credit to your account during the course of this Agreement, such monetary goodwill gesture or credit may not be redeemed for cash and may solely be redeemed against your use of Three Services.

6 What you'll do in return - Personal Security

- 6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep it safe and secure whilst it's in your possession and you must ensure that you're able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Price Guide).
- 6.2 You must keep all PINs and passwords secure and confidential. You're also responsible for the security of your Device and must make sure that you keep it secure (see the Device manufacturer's user guide for details of how to keep your Device secure). You must also keep any PINs or passwords for any services you access through your Device secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services and/or Third Party Extras on your account without your permission.

Responsible use - How you use the Three Services

- 6.4 You may only use Three Services and Third Party Extras:
- (a) as set out in this Agreement; and
 - (b) for your own personal use. This means you must not resell or commercially exploit any of Three Services, Third Party Extras or our content.
- 6.5 You mustn't use Three Services, Third Party Extras, the SIM, the eSIM Profile or Three phone number or allow anyone else to use Three Services, the SIM, the eSIM Profile or Three phone number for illegal or improper uses. For example:
- (a) for fraudulent, criminal or other illegal activity;
 - (b) in any way which breaches another person's rights including copyright or other intellectual property rights;

- (c) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission;
 - (d) to download, send or upload content of an excessive size, quantity or frequency, or Artificially Inflated Traffic. We'll contact you if your use is excessive;
 - (e) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services and/or Third Party Extras; or
 - (f) to use or provide to others any directory or details about Three customers.
- 6.6 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Device and any instructions regarding the use of Your Plan, as set out in your Price Guide (available at www.Three.co.uk/priceguide).
- 6.7 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services and/or Third Party Extras, you will, notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.
- 6.8 We have published an acceptable use policy which provides more details about the rules for use of certain Three Services and Third Party Extras:
- (a) to ensure that use of Three Services either in the UK or in our Go Roam Destinations is not excessive;
 - (b) to combat fraud;
 - (c) to protect Three's employees from abuse or harassment; and

- (d) where Three Services or Third Party Extras we offer or may introduce require certain rules to ensure they can be enjoyed by all our customers.

This policy is available on our website and may be changed from time to time.

Responsible use – How you use the Messaging Services

- 6.9 While using the Messaging Services, you must not send or upload:
 - (a) anything that is copyright protected, unless you have permission;
 - (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
 - (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.
- 6.10 We may put limits on the use of certain Three Services, such as Messaging Services. For example, we may limit the size of messages.
- 6.11 While we have no obligation to monitor the Messaging Services, if you exceed our published use limits, or we're made aware of any issues with your use of these Three Services (for example, if we're made aware that you're using Three Services in any of the ways prohibited in Section 6.9 above) we reserve the right to remove or refuse to send or store content on your behalf. You may still be charged for any content which is blocked or removed.

Responsible use - Content Filter

- 6.12 Access to 18 rated content (such as 18 rated films and games) over the Three Network is only available to you if you can prove that you are over 18 by calling Three Customer Services or accessing the Three App and providing the requested evidence. Only you, the Account Owner, can adjust the content filter settings on Users'

accounts and the Account Owner is responsible for ensuring that only Users over the age of 18 have access to 18 rated content.

- 6.13 You accept that we cannot control access to 18 rated content obtained over WiFi as our content filter is only effective in respect of services accessed via the Three Network.

Responsible use - How you use the Three Services outside the UK

- 6.14 If you use Three Services or Third Party Extras from a country outside the UK:
 - (a) your use of Three Services or Third Party Extras may be subject to laws and regulations that apply in that other country, and we're not responsible for your failure to comply with those laws or regulations;
 - (b) you will be roaming on another operator's network so:
 - (i) you may not receive the same level of coverage and speed as you're used to on the Three network. We have no liability if you're unable to access services abroad, or if the quality of any other operator's network services differs from those provided on the Three network; and
 - (ii) we accept no responsibility for information processing when it leaves our control.
- 6.15 Use of Three Services in our Go Roam Destinations is subject to our fair use policies, as published in your Price Guide, which may be updated from time to time. See <https://www.three.co.uk/terms-conditions/price-guides>.
- 6.16 If you use Three Services in our Go Roam in Europe destinations, you can use your voice minutes, text messages and/or a portion of your data allowance each month subject to paying a daily charge of £2 to unlock your allowance for 24 hours in our Go Roam in Europe destinations. Any use in excess of the monthly fair use data limit, but within any available data allowance, will be subject to a

surcharge. Fair use policies and the daily roaming charge are set out in more detail in your Price Guide.

- 6.17 If you use Three Services in our Go Roam Around the World destinations, you can use a portion of your allowance of voice minutes, texts and data each month subject to paying a daily charge of £5 to unlock your allowance for 24 hours for use in our Go Roam Around the World destinations. Any use in excess of your monthly fair use data limit, but within any available data allowance, will be subject to a surcharge. If you exceed any of the fair use limits for minutes or texts in any two months within a rolling 12- month period, we have the right to suspend international roaming on your account, meaning you will no longer be able to use your device or allowances abroad. We'll let you know in advance if this is likely to happen.
- 6.18 If you use Three Services in our Go Roam Around the World Extra destinations, you can use a portion of your allowance of voice minutes, texts and data each month subject to paying a daily charge of £7 to unlock your allowance for 24 hours. Any use in excess of your monthly fair use data limit, but within any available data allowance, will be subject to a surcharge. If you exceed any of the fair use limits for minutes or texts in any two months within a rolling 12- month period, we have the right to suspend international roaming on your account, meaning you will no longer be able to use your device or allowances abroad. We'll let you know in advance if this is likely to happen.
- 6.19 If you roam exclusively in one or more of our Go Roam Destinations (including Go Roam in Europe, Go Roam Around the World and Go Roam Around the World Extra) for any two complete months in a rolling 12-month period, we may suspend international roaming on your account, meaning you will no longer be able to use your device or allowances abroad. We'll let you know in advance if this is likely to happen. If you spend a full month abroad but some of that time is spent in a destination that isn't included in Go Roam, this fair use policy won't apply.
- 6.20 You may accidentally roam if you're in an area close to national borders because your Device picks up a network signal across the border. If this is the case, then you may be charged as if you were roaming on an international network.

Paying your Bills

- 6.21 You must pay us all Charges in connection with all Three Services which are accessed using the SIM or eSIM Profile we supply to you. You must pay the Monthly Charge, whether or not your allowance of voice minutes, text messages and/or data are consumed by you or by another person, with or without your permission. You must also pay for all Three Services and Third Party Extras which don't involve a conversion of voice minutes, text messages and/or data within your allowance and which are accessed using the SIM or eSIM Profile we supply to you or which are accessed using your Device, whether the Three Services or Third Party Extras are accessed by you or by another person, with or without your permission. If your SIM and/or Device is lost or stolen you remain responsible for all the Charges to your account until you tell us what happened and arrange for your SIM, eSIM Profile and/or Device to be deactivated.
- 6.22 We will start to bill you for Three Services and Third Party Extras when Your Plan starts as set out in Section 0. We'll send you a bill on a periodic basis and this will usually be done monthly. However, we may change this period, and we would give you at least 14 days' notice of this.
- 6.23 Your bill will normally include your Monthly Charge for Your Plan for the next billing period and any administration fees along with Charges for your use of the Three Services and Third Party Extras in the UK in the last period and outside the UK in prior periods (if not within your allowance). If Your Plan includes an allowance, this will be made up of the voice minutes, text messages and/or data each month as set out in your Contract Agreement Form. If you haven't used all of that monthly allowance by the time we bill you, it will expire and your monthly allowance will then start again on each monthly bill date (which you will see on your bill).
- 6.24 Charges on your bill are shown inclusive of VAT (where appropriate).
- 6.25 You must make your payment by the due date. However, we may also submit an interim bill or require an immediate payment if we think you have exceeded a reasonable limit on your account. Your bill will state the amount of the Charges due from you and the due date by which you must make payment. If you fail to pay your account on time, you will be breaking this Agreement and we may

Suspend or Disconnect you. In this case, you will have to pay any outstanding Charges. We may set a credit limit on your account. If you exceed the credit limit we set, we may Suspend any or all of the Three Services and/or Third Party Extras you use until you've made a payment to your account. You shouldn't use the credit limit for budgeting as the amount you owe isn't capped or limited by any credit limit we set.

- 6.26 Three will notify you at least 30 days in advance of any change in your payment date.
- 6.27 We may need to take legal or other collection action against you for non-payment of Charges. This could mean you have to pay our reasonable costs and expenses, or the reasonable costs and expenses of our assignees, including legal and administration costs. Interest may be added on a daily basis to any unpaid Charges and costs, at 2% per annum above the base rate of HSBC Bank plc, from the date payment is due until it is received.
- 6.28 As a condition of signing up to Three Services and Third Party Extras, we require you to set up a direct debit to pay your Charges and you will benefit from a discount to your Monthly Charge if you pay by this efficient means. In order to maintain this discount, you must continue to have a valid direct debit or other Recurring Payment Method in place. If you don't have a Recurring Payment Method in place, and pay us by other means, you won't benefit from the discount. Please see the Price Guide for further details of the discount amount and Recurring Payment Methods we accept.
