Your Information received from other sources

- 13.11 We may receive personal data about you from credit reference agencies, fraud prevention agencies, marketing partners, the electoral register and other commercial partners who may deliver services to us.

Use of Your Information.

- 13.12 Your Information may be used by us, our employees, service providers and disclosed to third parties for the purposes set out below. For each of these purposes, we have set out the legal basis on which we use Your Information.

(a) Credit Referencing, Identity Checks and Fraud Prevention

- (i) In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies ("CRAs") such as Call Credit, Experian and Equifax. To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information. We will use this information to:

- Assess your creditworthiness and whether you can afford to take the product;
- Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s);
- Trace and recover debts; and
- Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs. When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

The identities of the CRAs, their role also as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail in the Credit Reference Agency Information Notice ("CRAIN"). CRAIN is also accessible from each of the three CRAs – clicking on any of these three links will also take you to the same CRAIN document: Callcredit www.callcredit.co.uk/crain; Equifax www.equifax.co.uk/crain; Experian www.experian.co.uk/crain.

We'll use a combination of credit scoring and/or automated decision making systems when assessing your application.
