

Three Business Adapt

In an ever-changing business landscape, you need plans that adapt to the way you work.

63%

of high-growth companies have already adopted a “productivity anywhere” workforce model.

(Accenture report 2021)

40%

year on year growth on mobile data usage, and accelerating.

(OFCOM - Communications market report 2021)

85%

of small businesses use smartphones to improve productivity.

(Business Mobiles - Mobile technology report 2021)

85%

of people who feel they can be productive everywhere say that they plan to stay with their company for a long time.

(Accenture report 2021)

Plans that adapt with your business, however you want.

Tailor your plan to suit you. Choose Add-ons as you need them. And get Unlimited data, speeds, calls and texts in the UK for your whole team. All on the UK's Fastest 5G Network.

A truly Unlimited business plan.

Unlike some networks, we don't cap your usage and speeds. None of our business tariffs are sharers. So you won't be stuck over spending, or worrying about data limits.

Activate connections any time.

Business changes in an instant - we get it. Activate more connections as your business grows. Tailor your business plan, and choose the right Add-ons when you need them.

Reports on your usage and spend.

Three Analyst is your online analytics tool. It gives you the insights you need to take control of your communications spend. Get regular analytics on your bill, with reports straight to your inbox.

Your adaptable business partner.

You can get personal, corporate-level support, no matter how small your team, with our Customer Success Manager service. We'll support you every step of the way.

How does it work?

Choose from 5 Adapt plans, depending on the size of your business: **Adapt 25**, **Adapt 50**, **Adapt 75**, **Adapt 100** and **Adapt 250**. Add connections any time, up to the limit of your plan.

All Adapt plans include:

-  Unlimited data, speed, calls and texts in the UK.
-  Analytics on your mobile usage and spend.
-  Award-winning business support.
-  A 12, 24 or 36 month contract.

Adapt 25 and Adapt 50 include:

Our Essential Service

- Up to 25 or 50 connections.
- Three Analyst Standard. Track the overall mobile usage and spend of your business.
- Award-winning support from our Three Business Service Team.

Adapt 75, Adapt 100 and Adapt 250 include:

Our Complete Service

- Up to 75, 100, or 250 connections.
- Three Analyst Advanced. Track each employee's mobile usage and spend.
- Corporate-level, personal business support from your own Customer Success Manager.

 If you have the Essential Service, you can get the Complete Service any time. Or add a Customer Success Manager, or Three Analyst Advanced.

Why choose Three Business?

 **Truly Unlimited plans**
We offer business plans with no restrictions on data, speeds, calls or texts in the UK.

 **Business Price Promise**
We beat our biggest competitors' prices. If you find a better deal for your business contract at EE, Vodafone, or O2, we'll beat it.

 **The UK's Fastest 5G Network**
According to Ookla, our 5G's the fastest around. Plus we're currently dedicating more spectrum to our 5G service than any other UK network.

 **The trusted network for business**
With 99% coverage, we were awarded the Uswitch Best Network for Data 2022. We carry 28% of the UK's mobile data traffic (*Enders Analysis*).

Call us to find out more **0800 033 8022**

Monday to Friday, 8am to 8pm, Saturday, 9am to 6pm.
